No Covers (Comic)

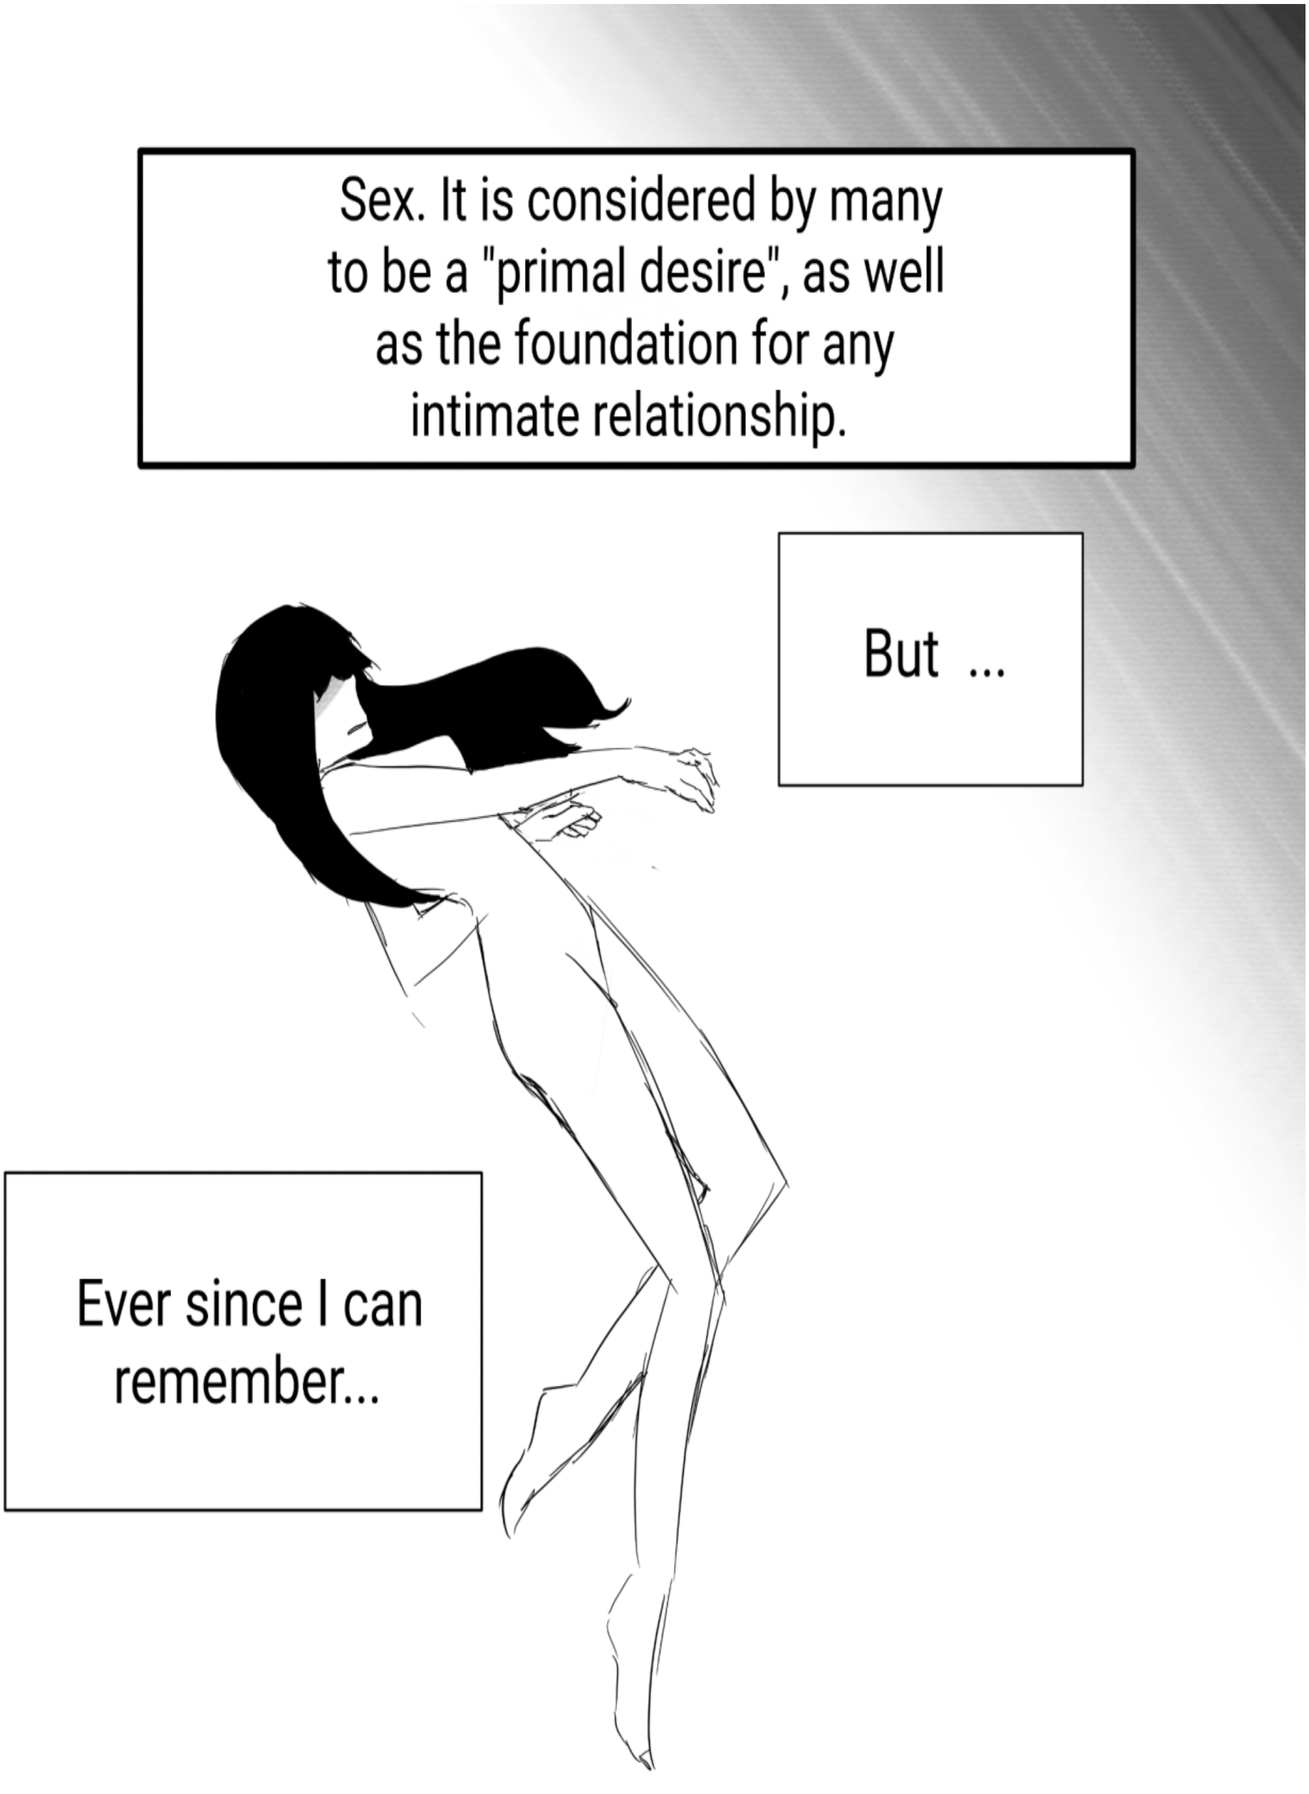
by Vegets306

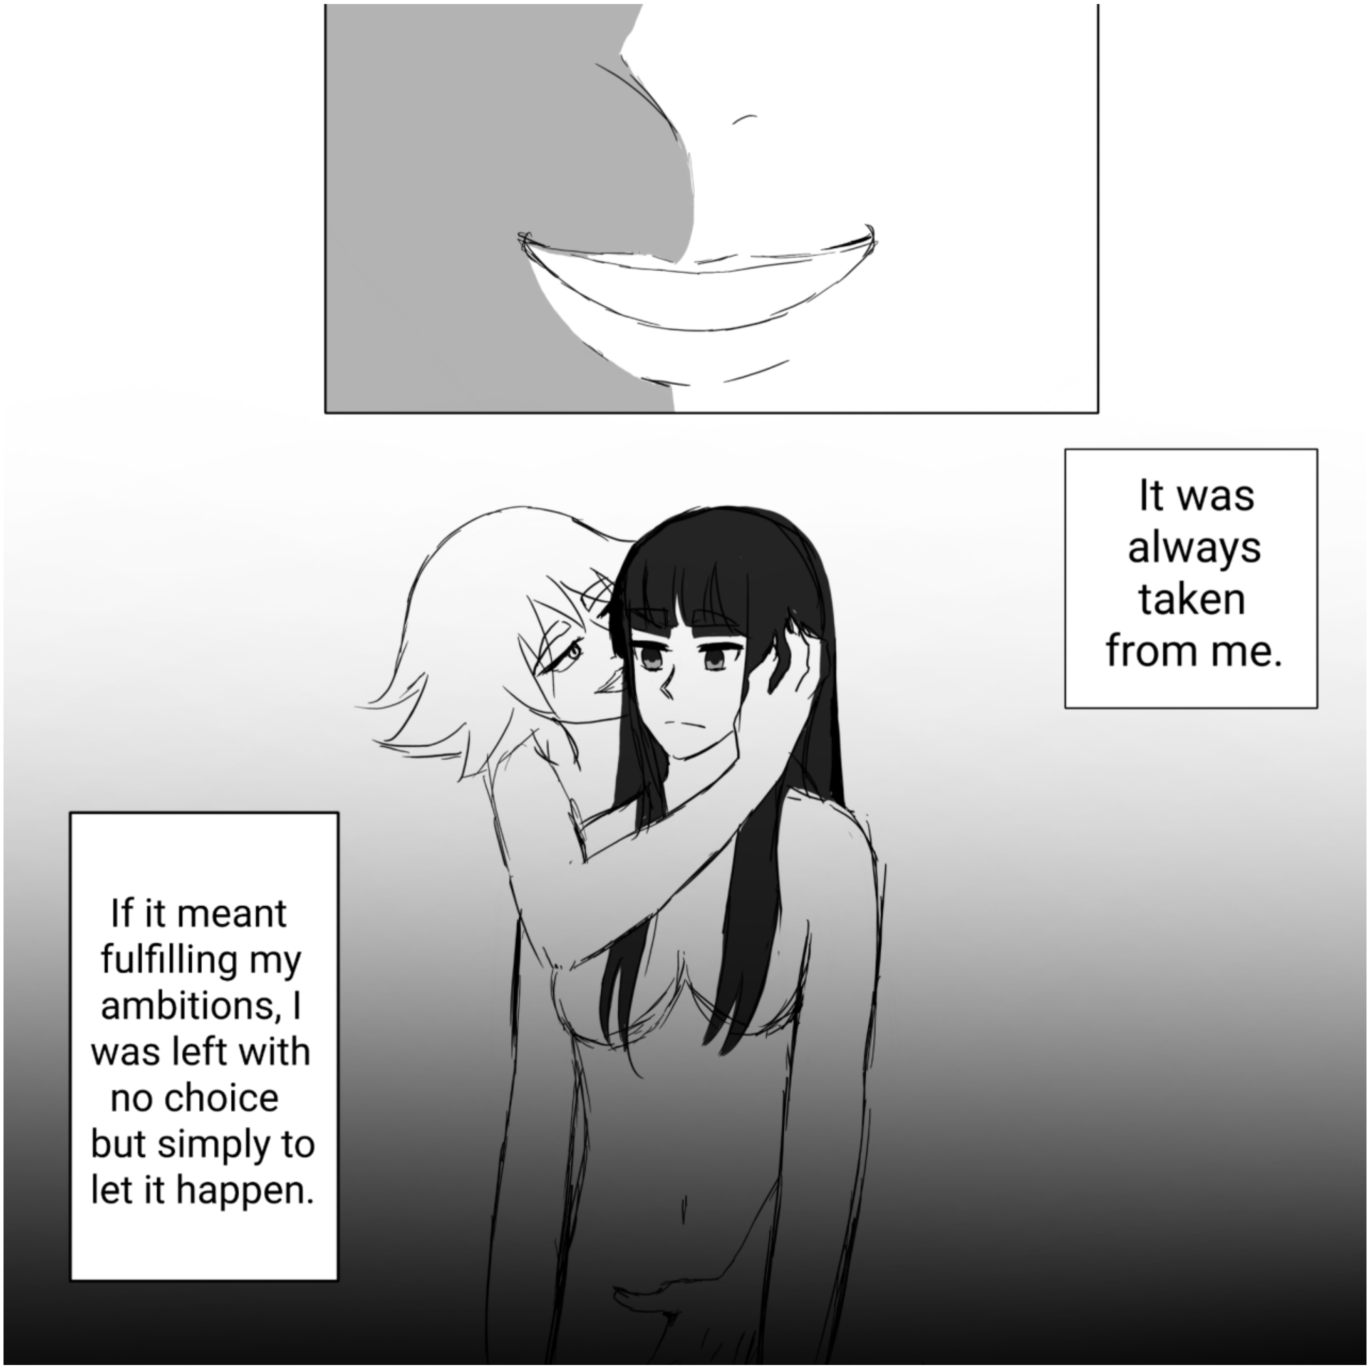
Summary

After the series, Nonon confesses to Satsuki. Satsuki is asexual, and afraid of the notion of intimacy or a relationship, but still likes her romantically. Nonon helps her through some stuff. Possibly will be a few chapters. Deals with some touchy subjects due to Ragyo's sexual abuse, so proceed with caution. Also Warning for some nudity. NSFW stuff is being kept to as much of a minimal as possible.

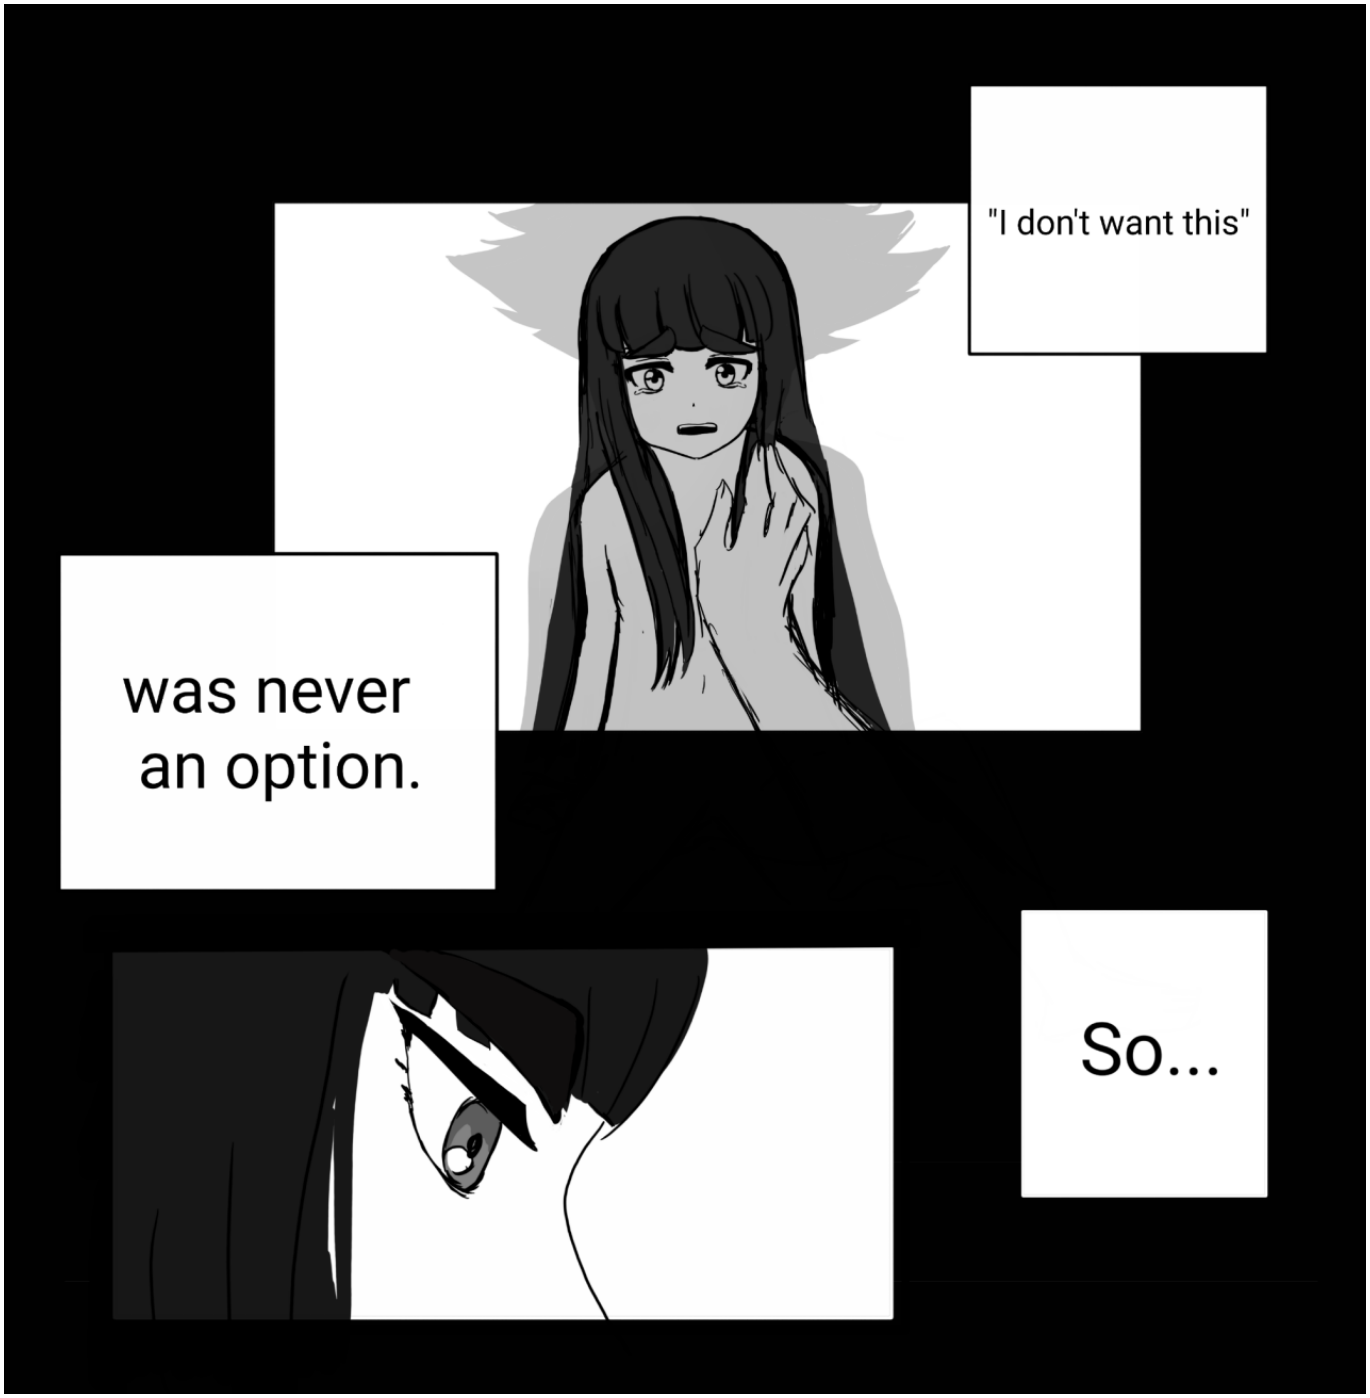
Chapter 1



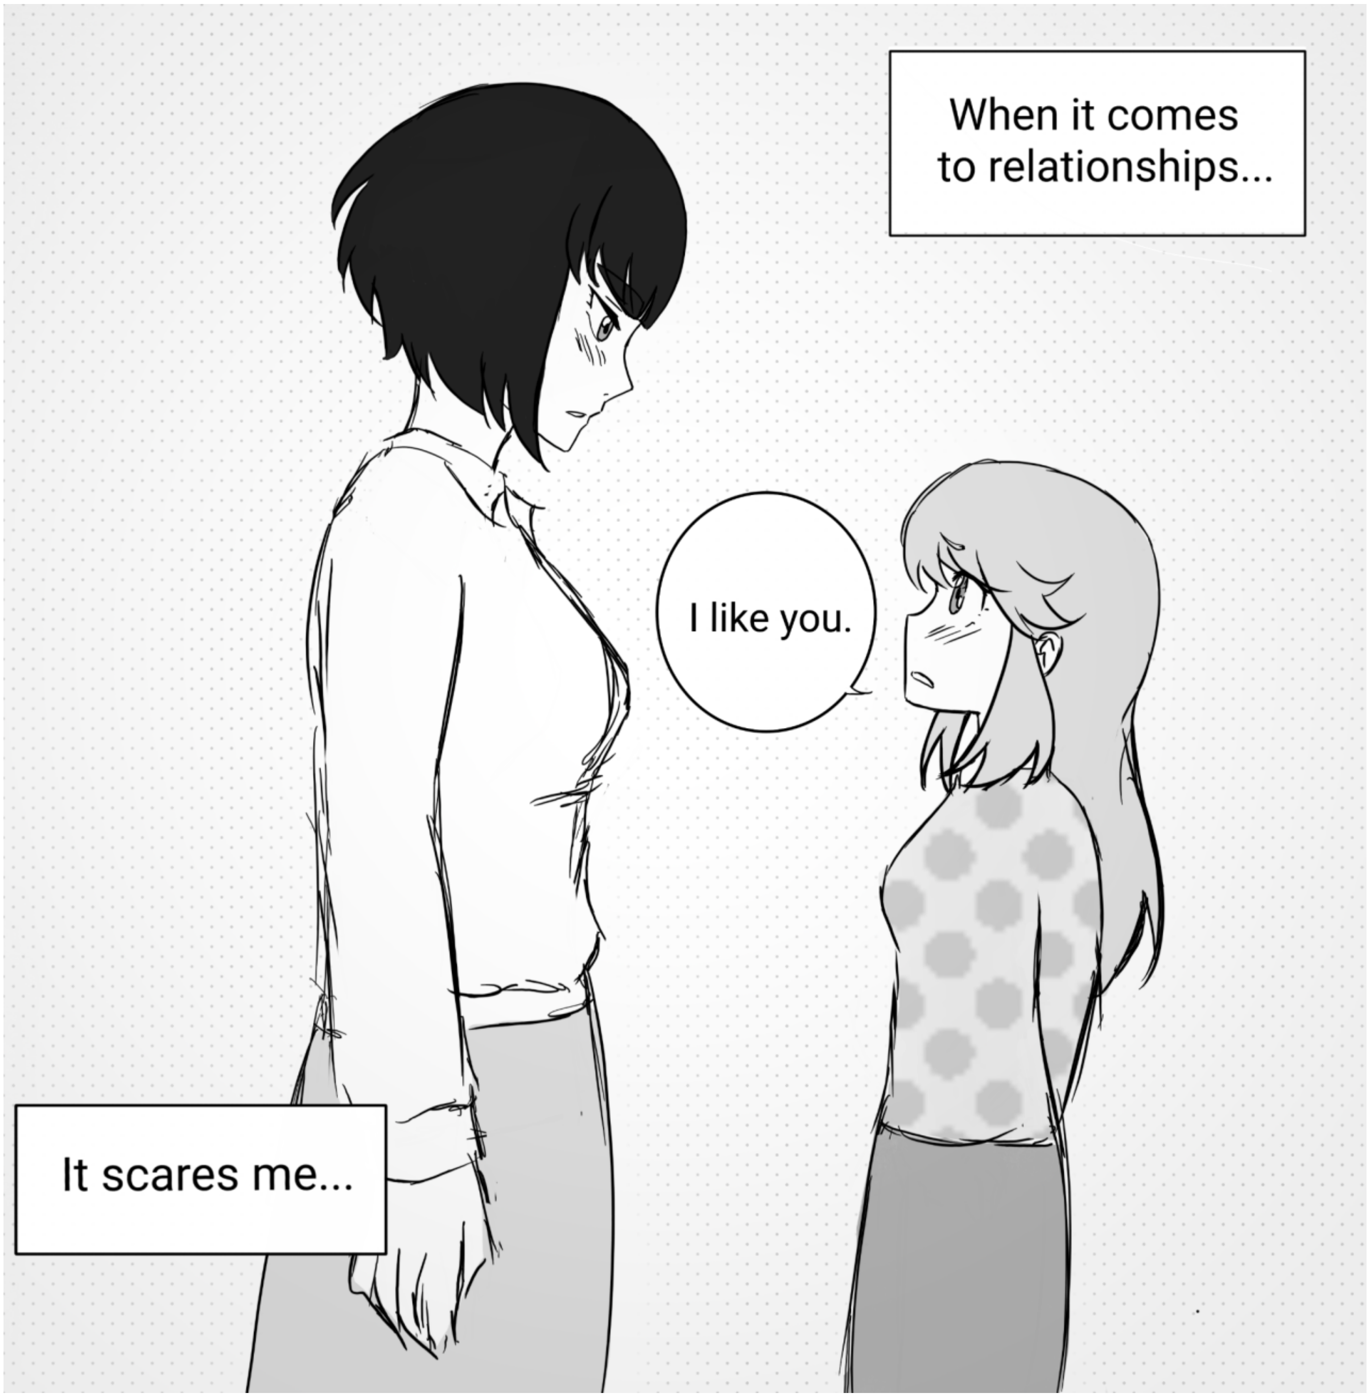
Sex. It is considered by many to be a "primal desire", as well as the foundation for any intimate relationship.
But ...
Ever since I can remember...



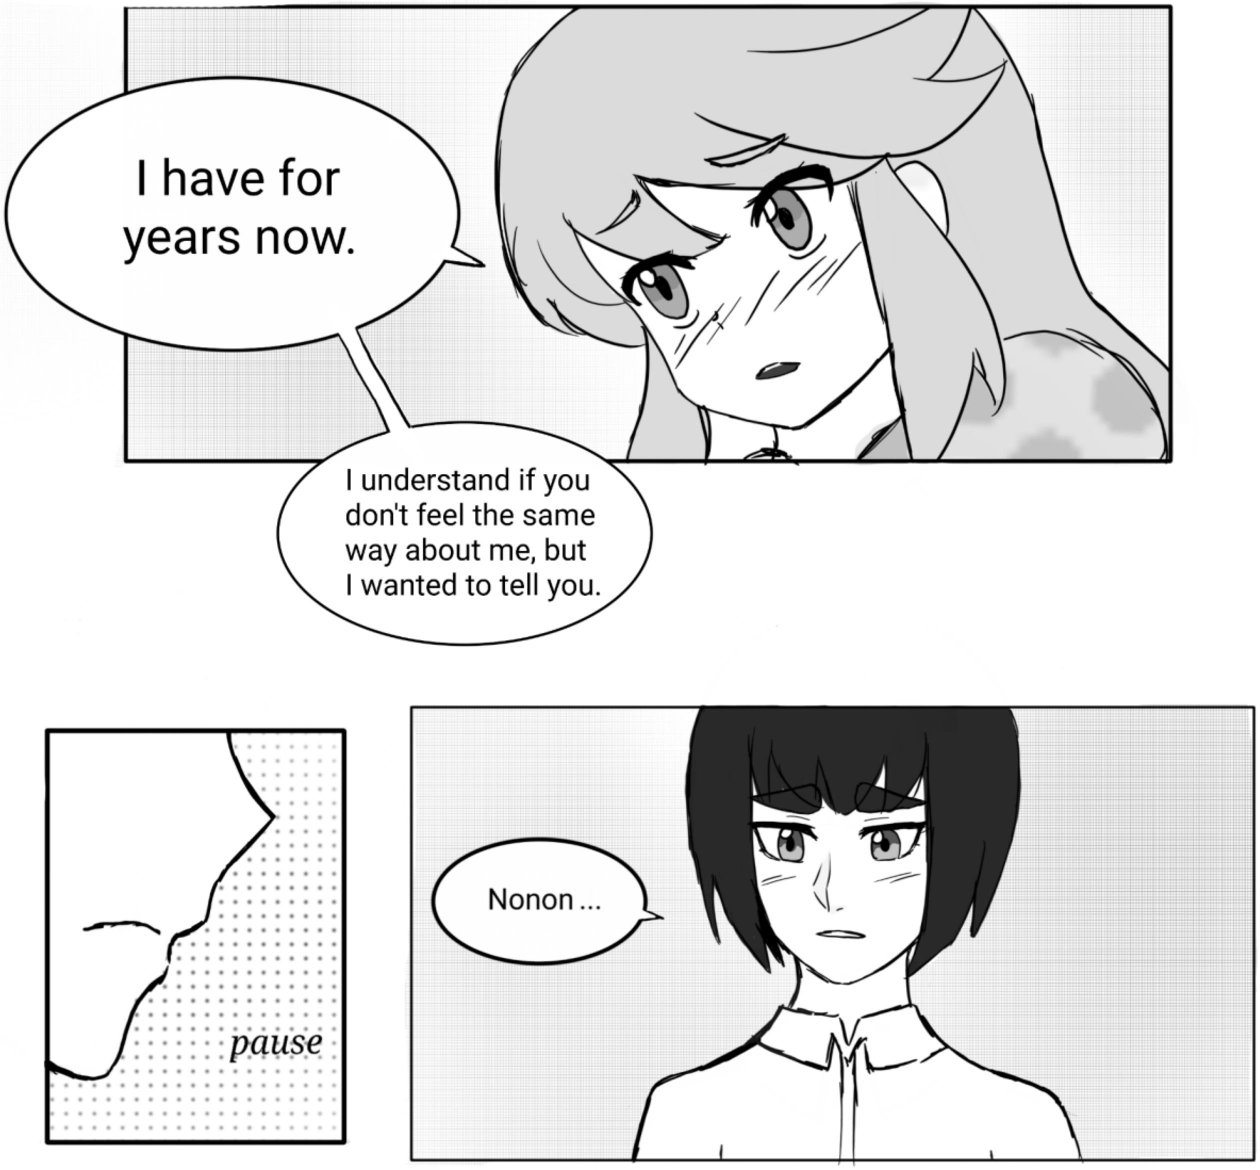
It was always taken from me.
If it meant fulfilling my ambitions, I was left with no choice but simply to let it happen.



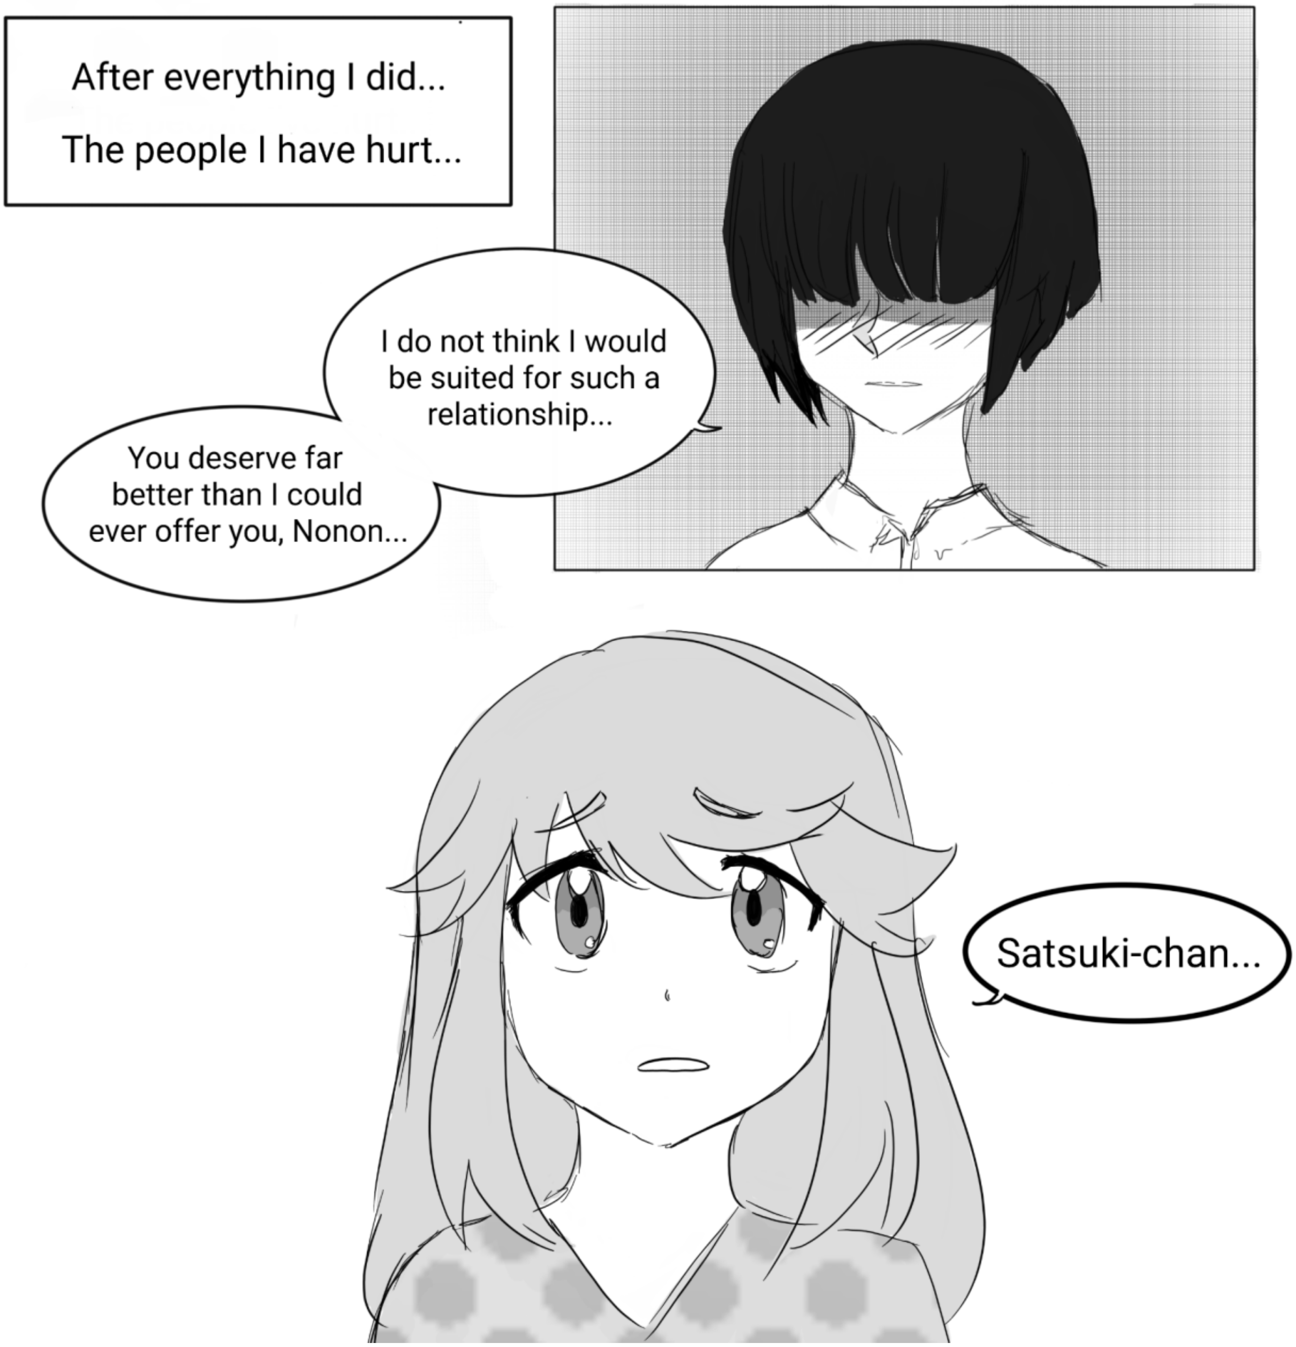
"I don't want this"
was never an option.
So...



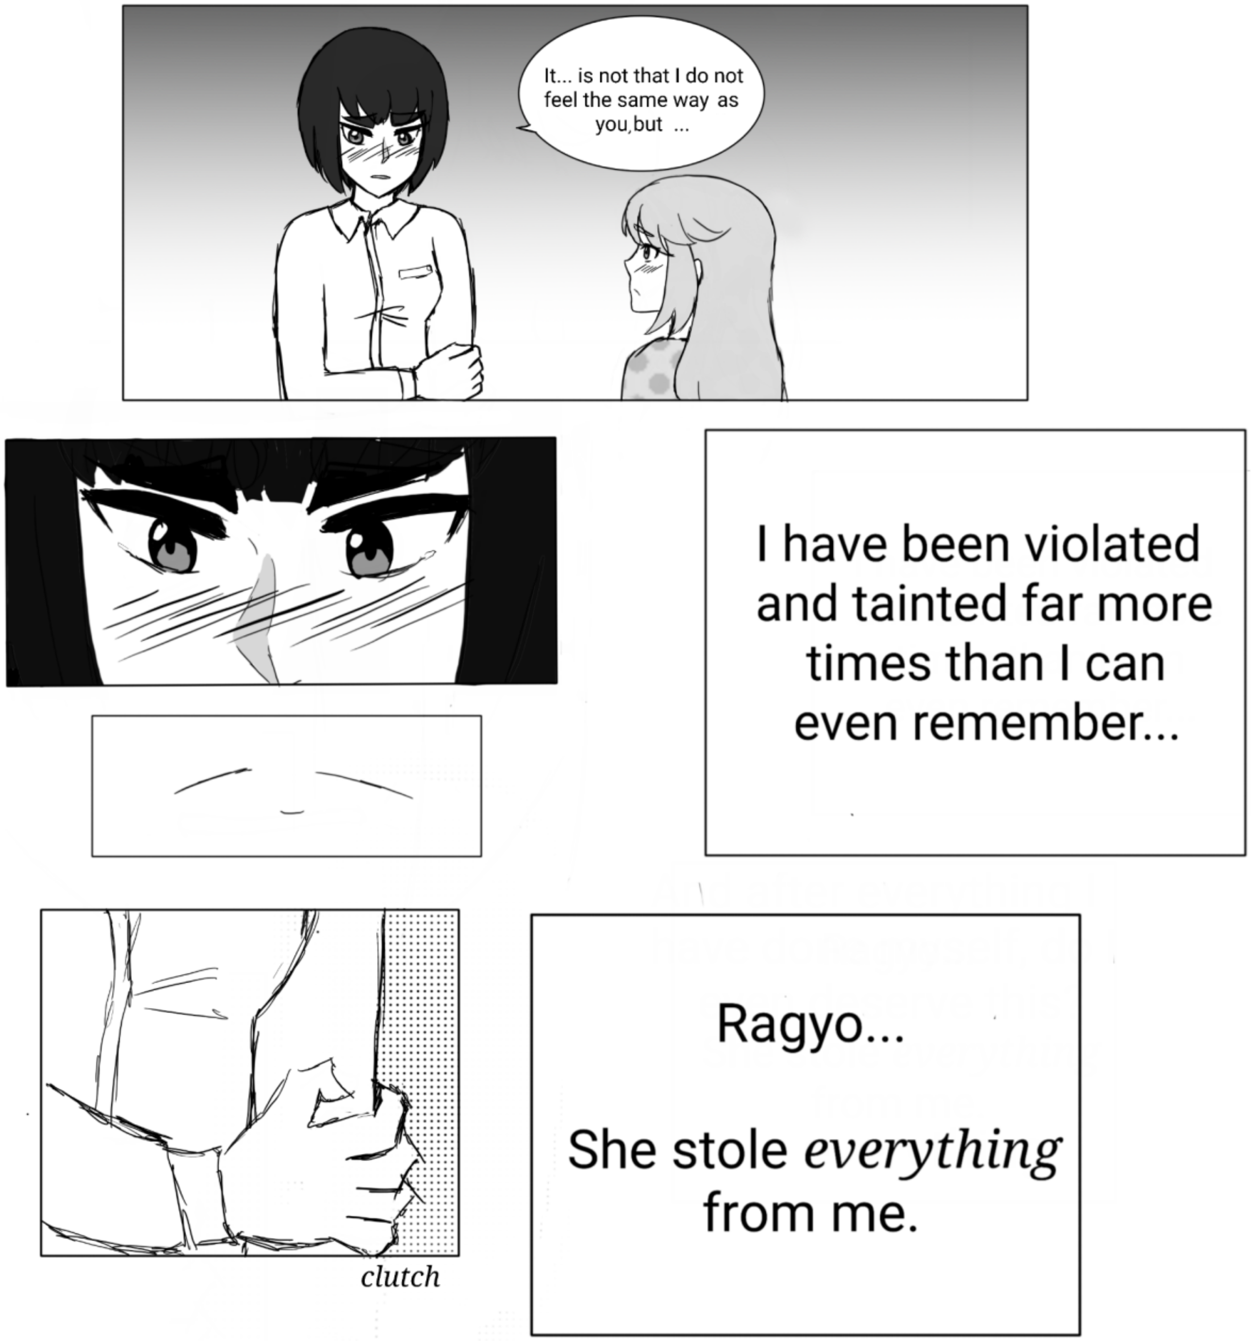
When it comes to relationships...
I like you.
It scares me...



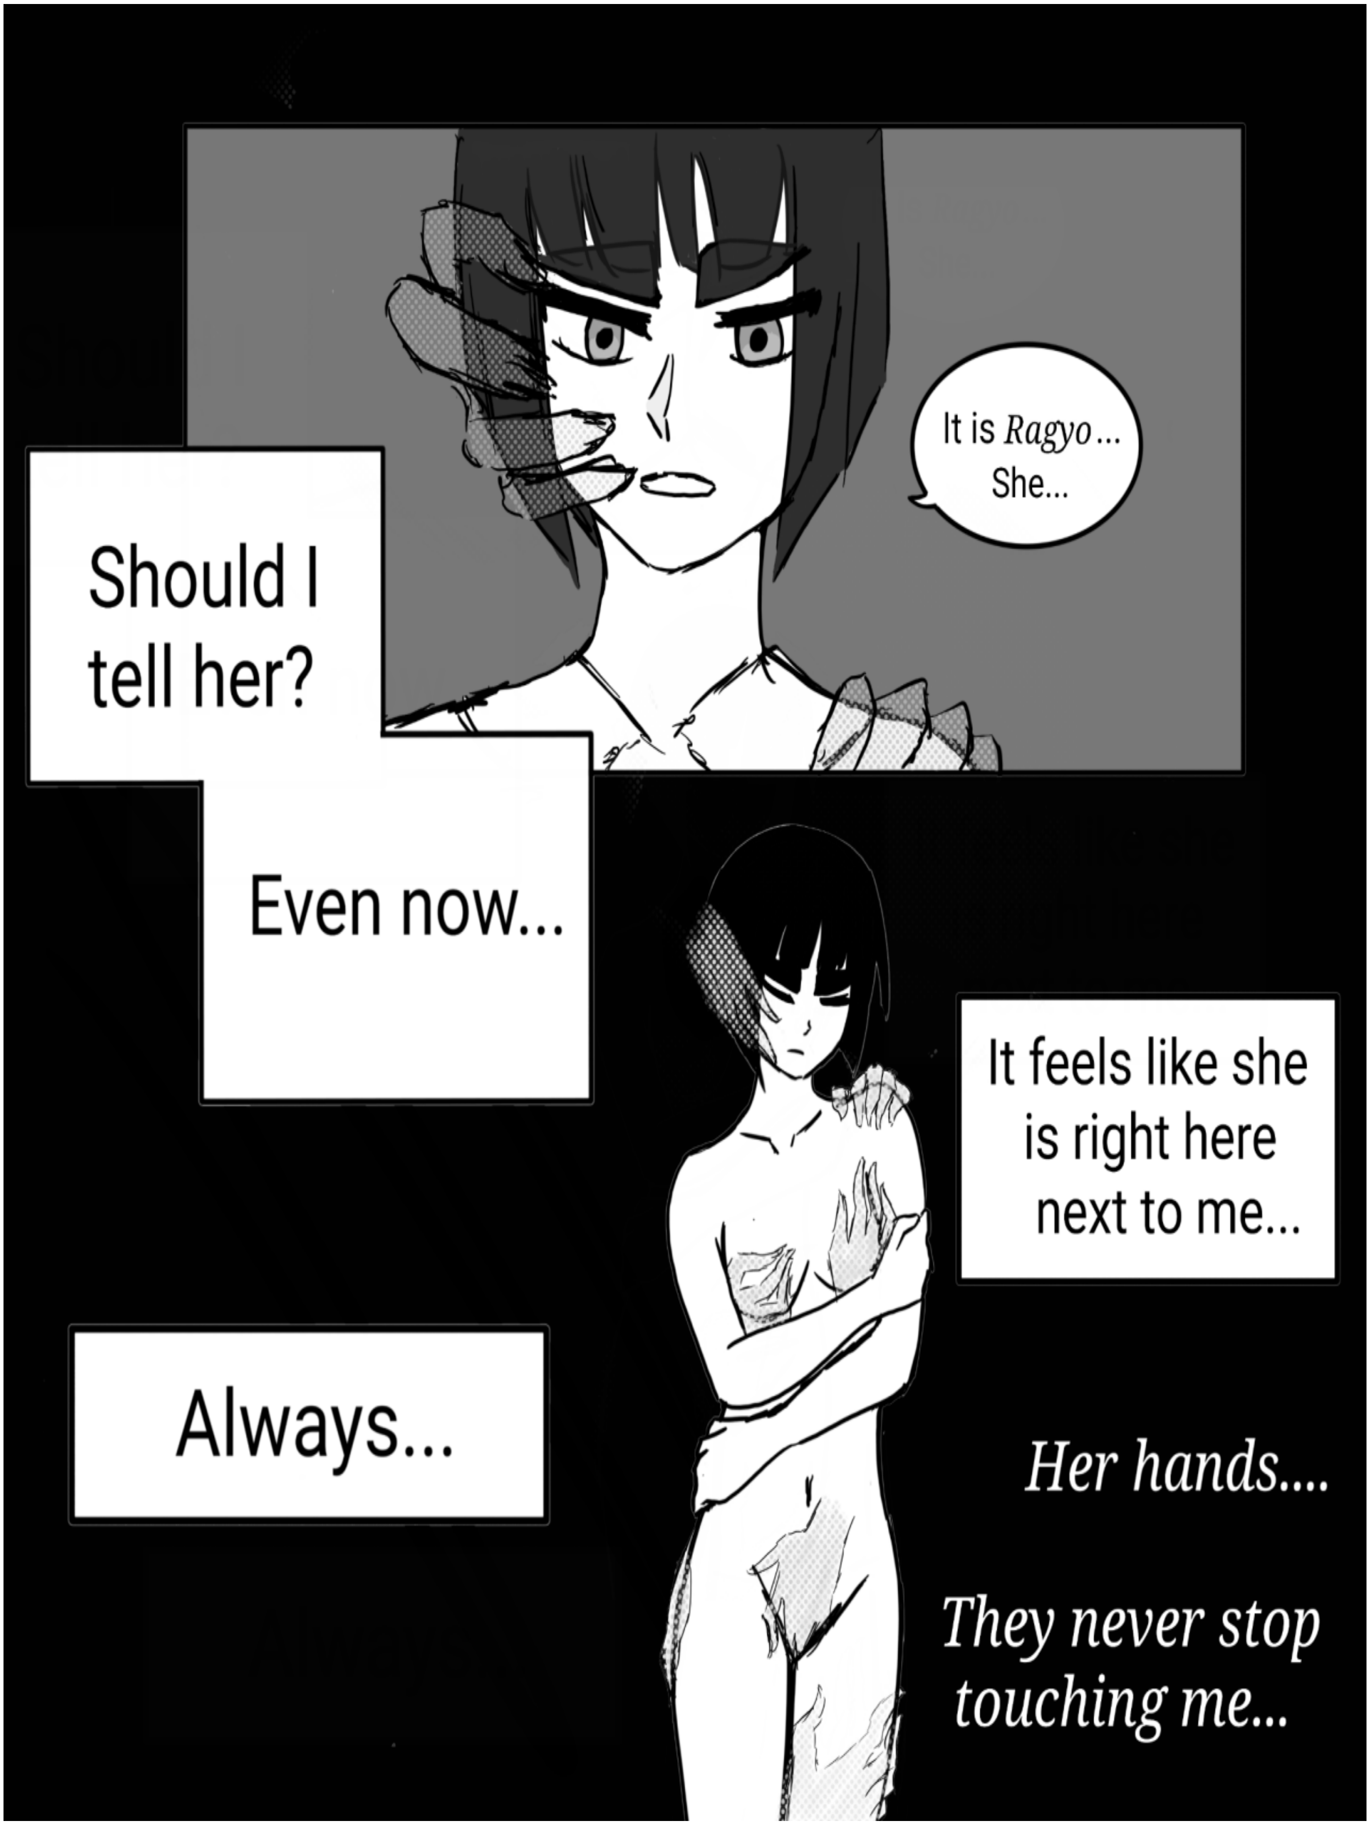
I have for years now.
I understand if you don't feel the same way about me, but I wanted to tell you.
pause
Nonon ...



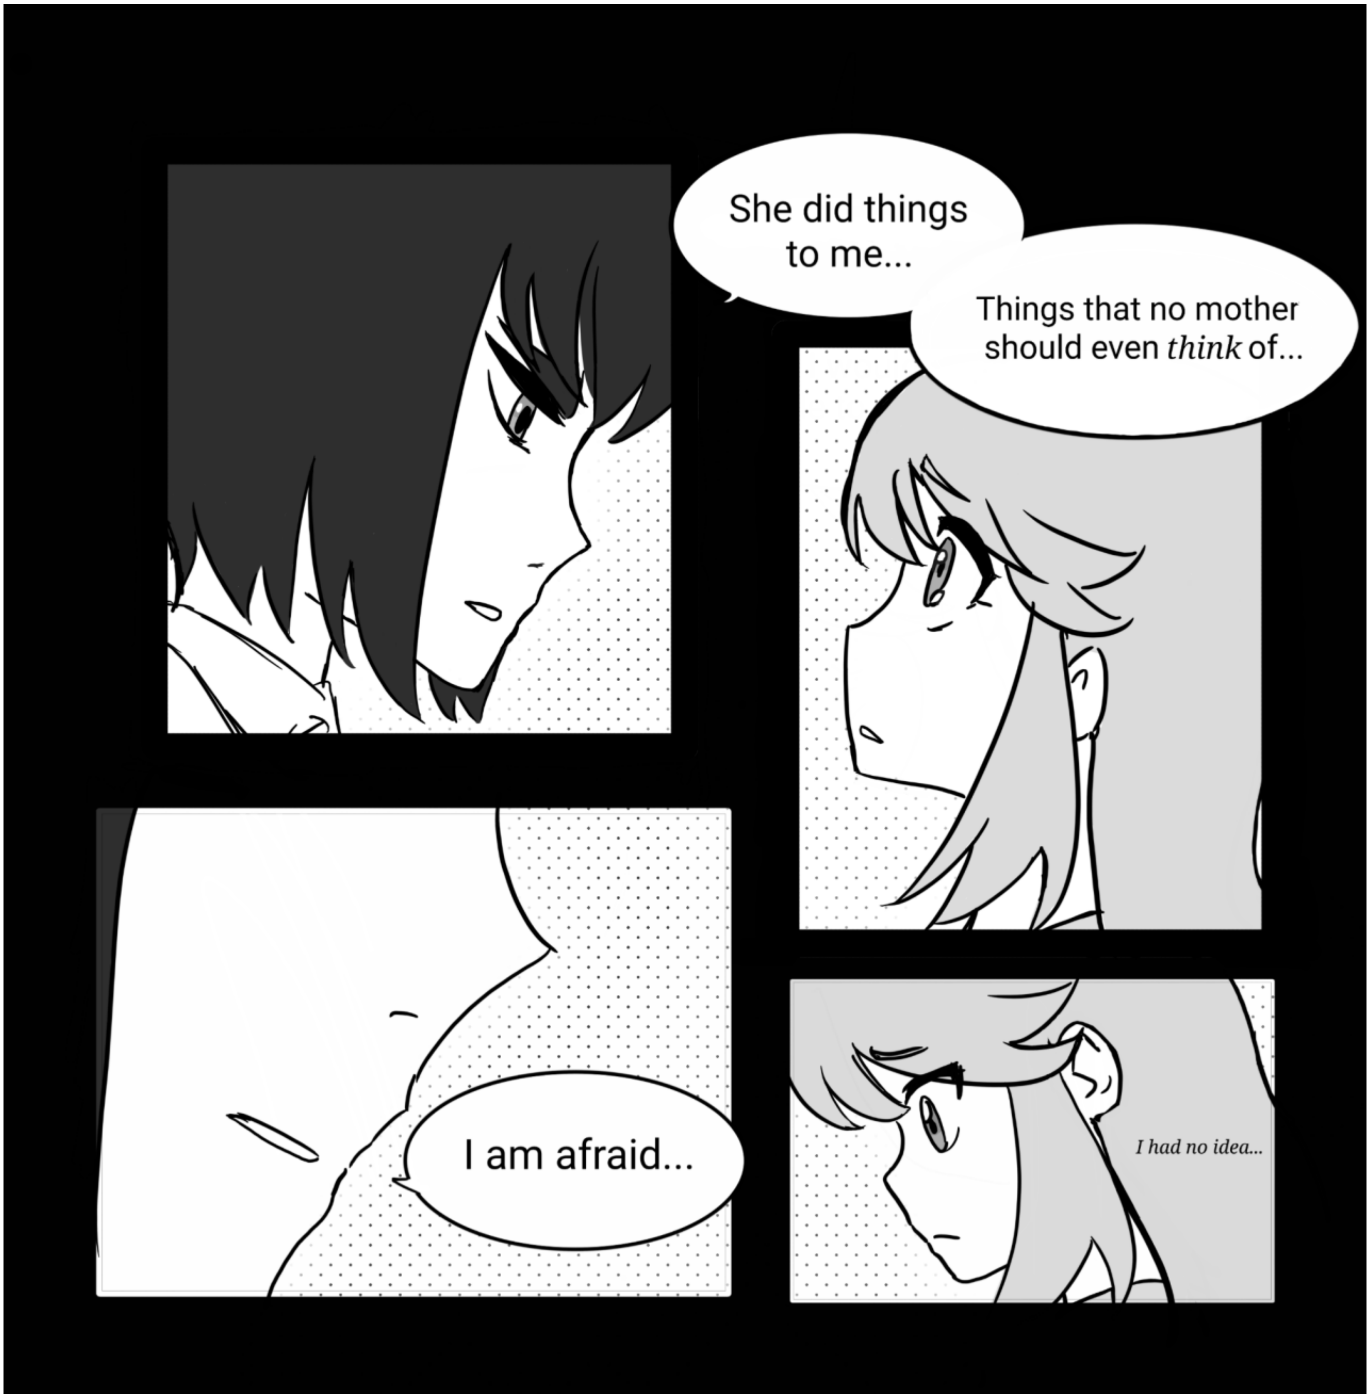
After everything I did...
The people I have hurt...
I do not think I would be suited for such a relationship...
You deserve far better than I could ever offer you, Nonon...
Satsuki-chan...



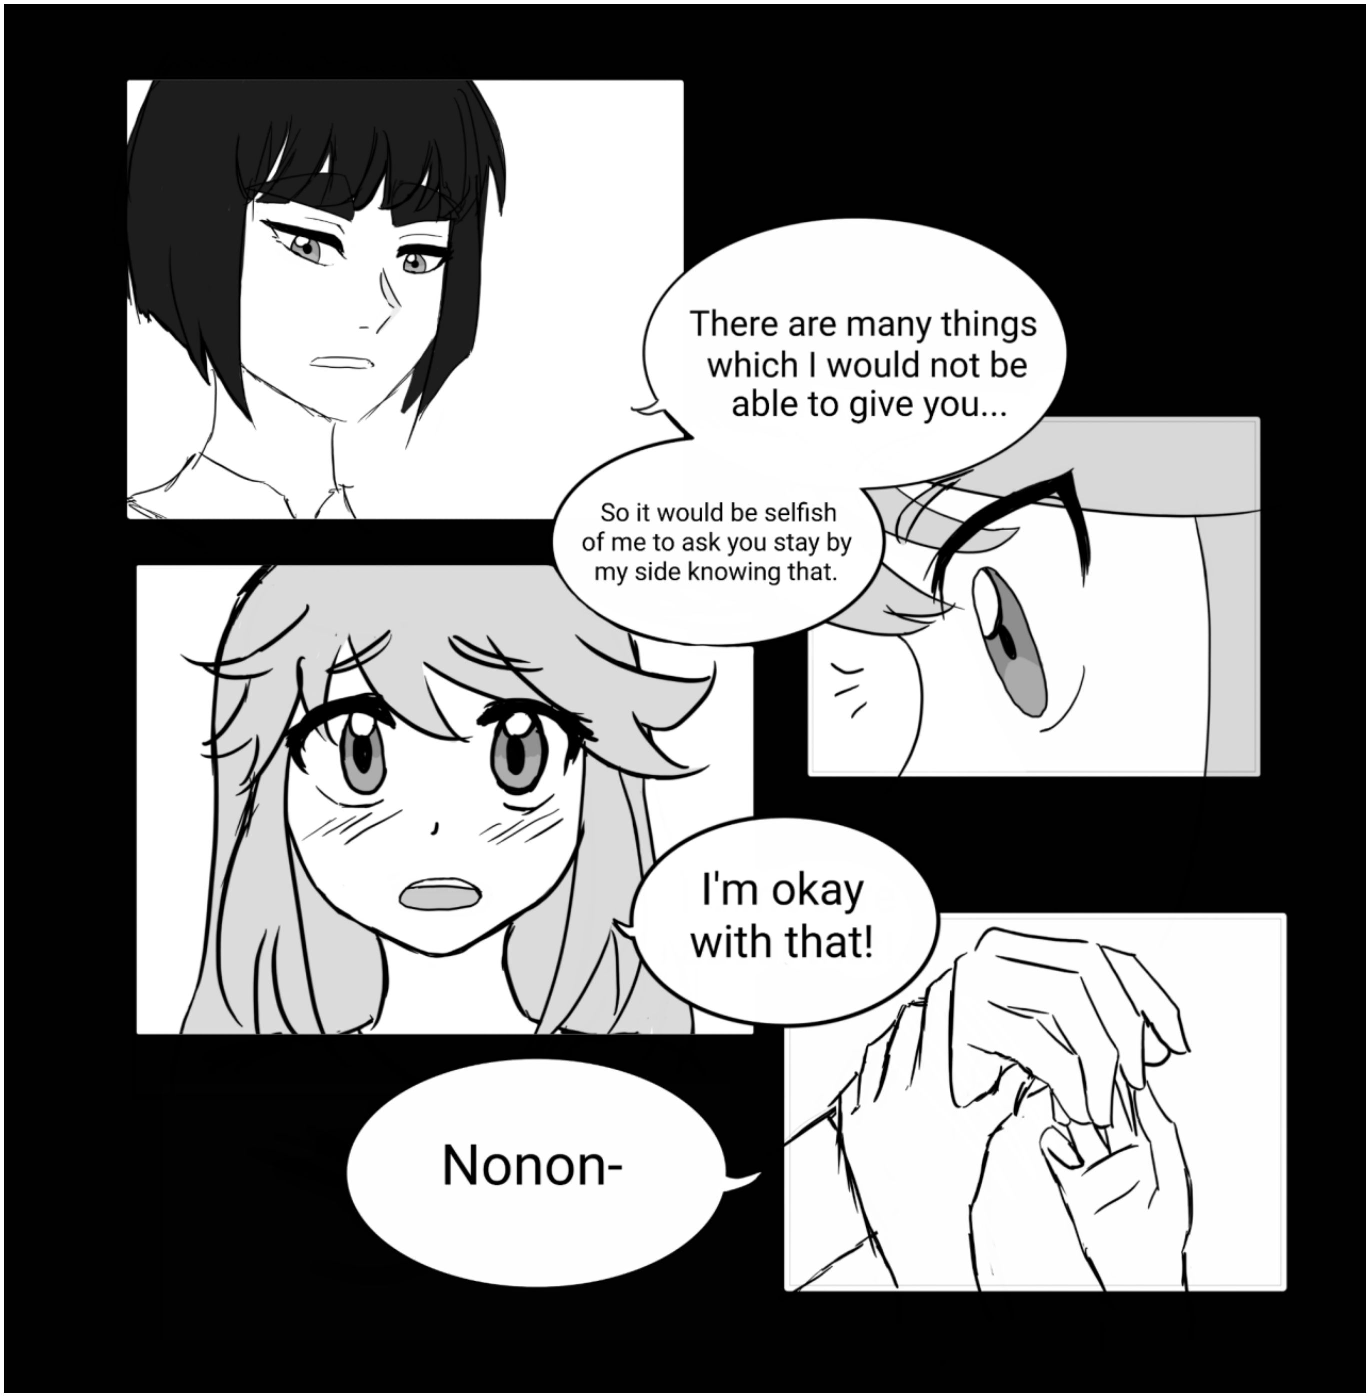
It... is not that I do not feel the same way as you,but ...
I have been violated and tainted far more times than I can even remember...
clutch
Ragyo...
She stole *everything* from me.



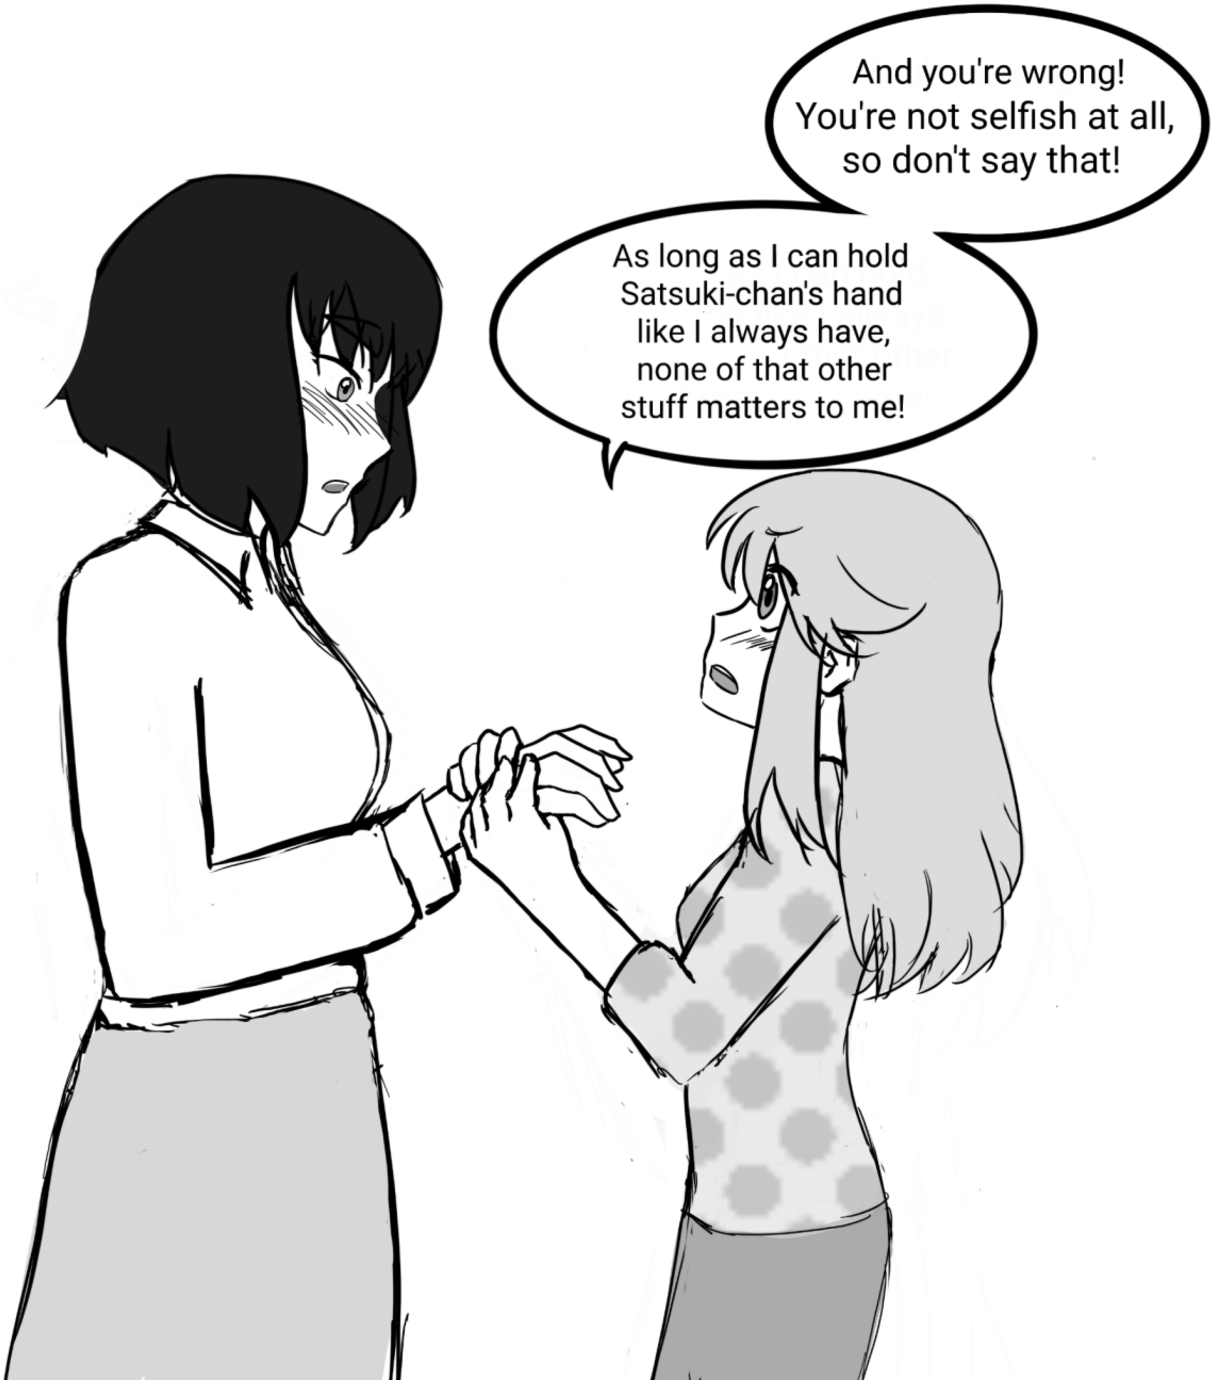
It is *Ragyo*... She...
Should I tell her?
Even now...
It feels like she is right here next to me...
Always...
Her hands....
They never stop touching me...



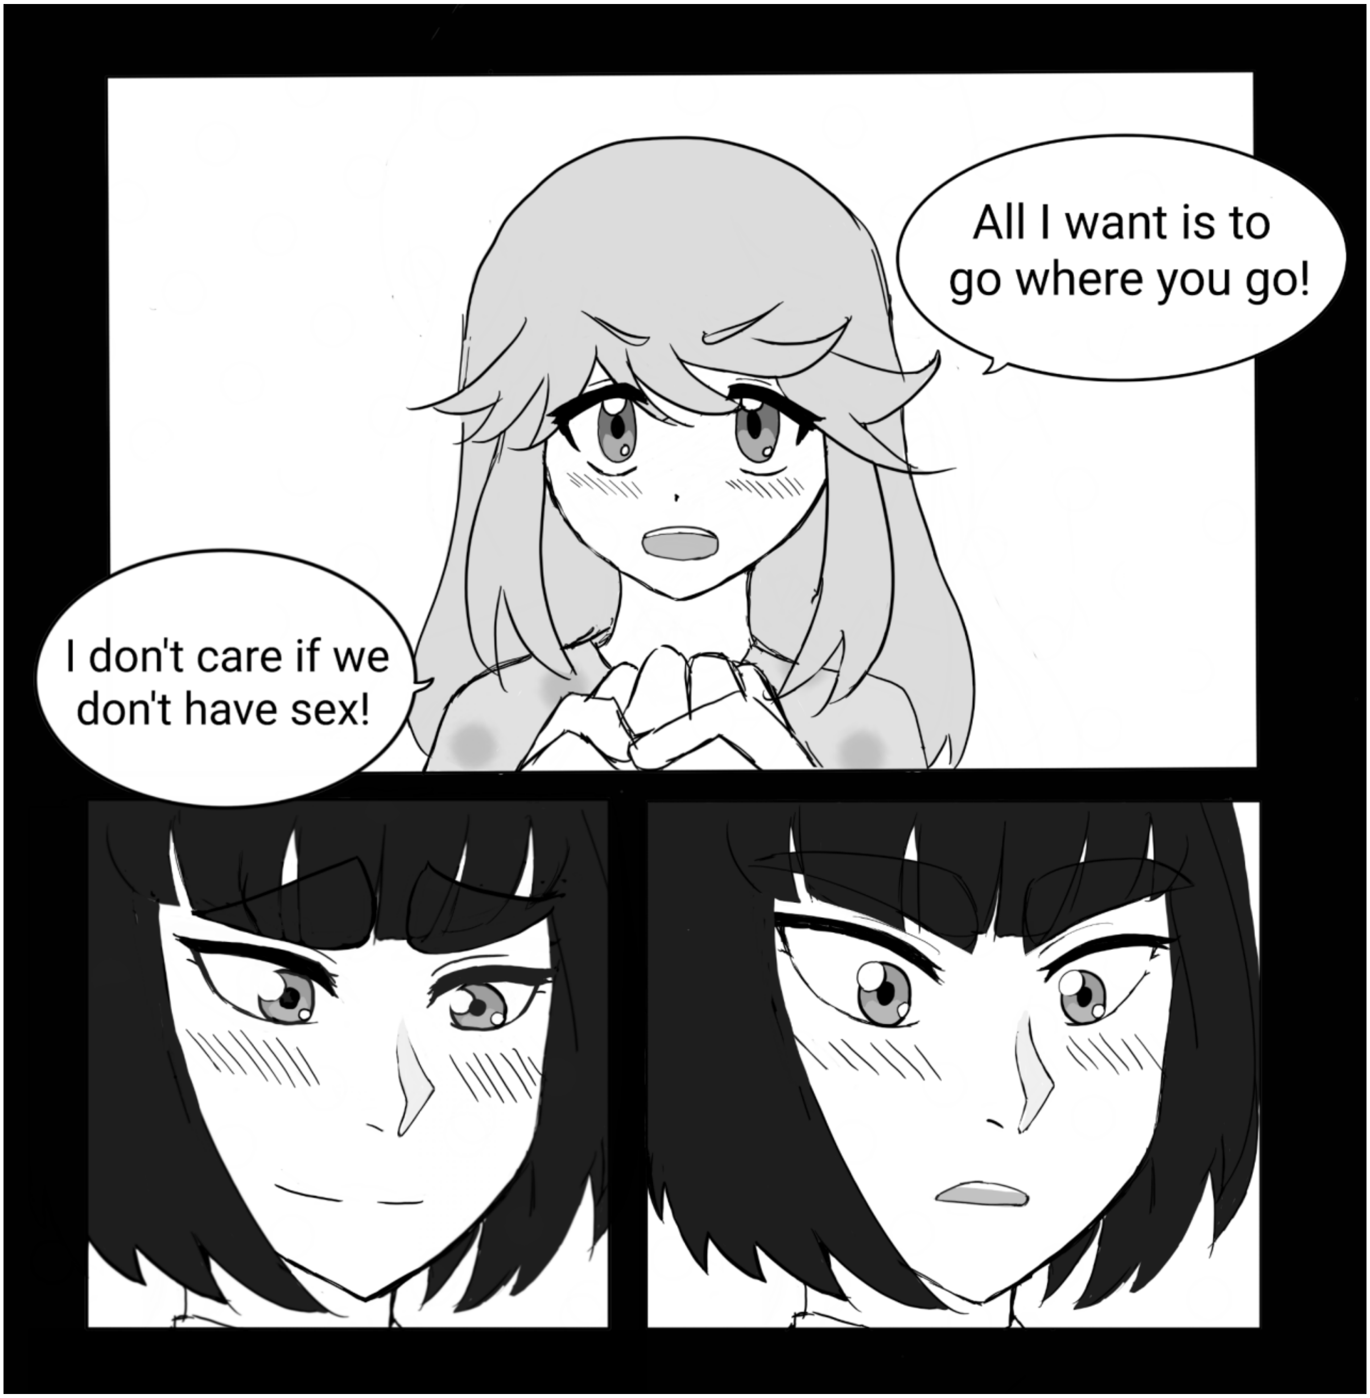
She did things to me...
Things that no mother should even *think* of...
I am afraid...
I had no idea...



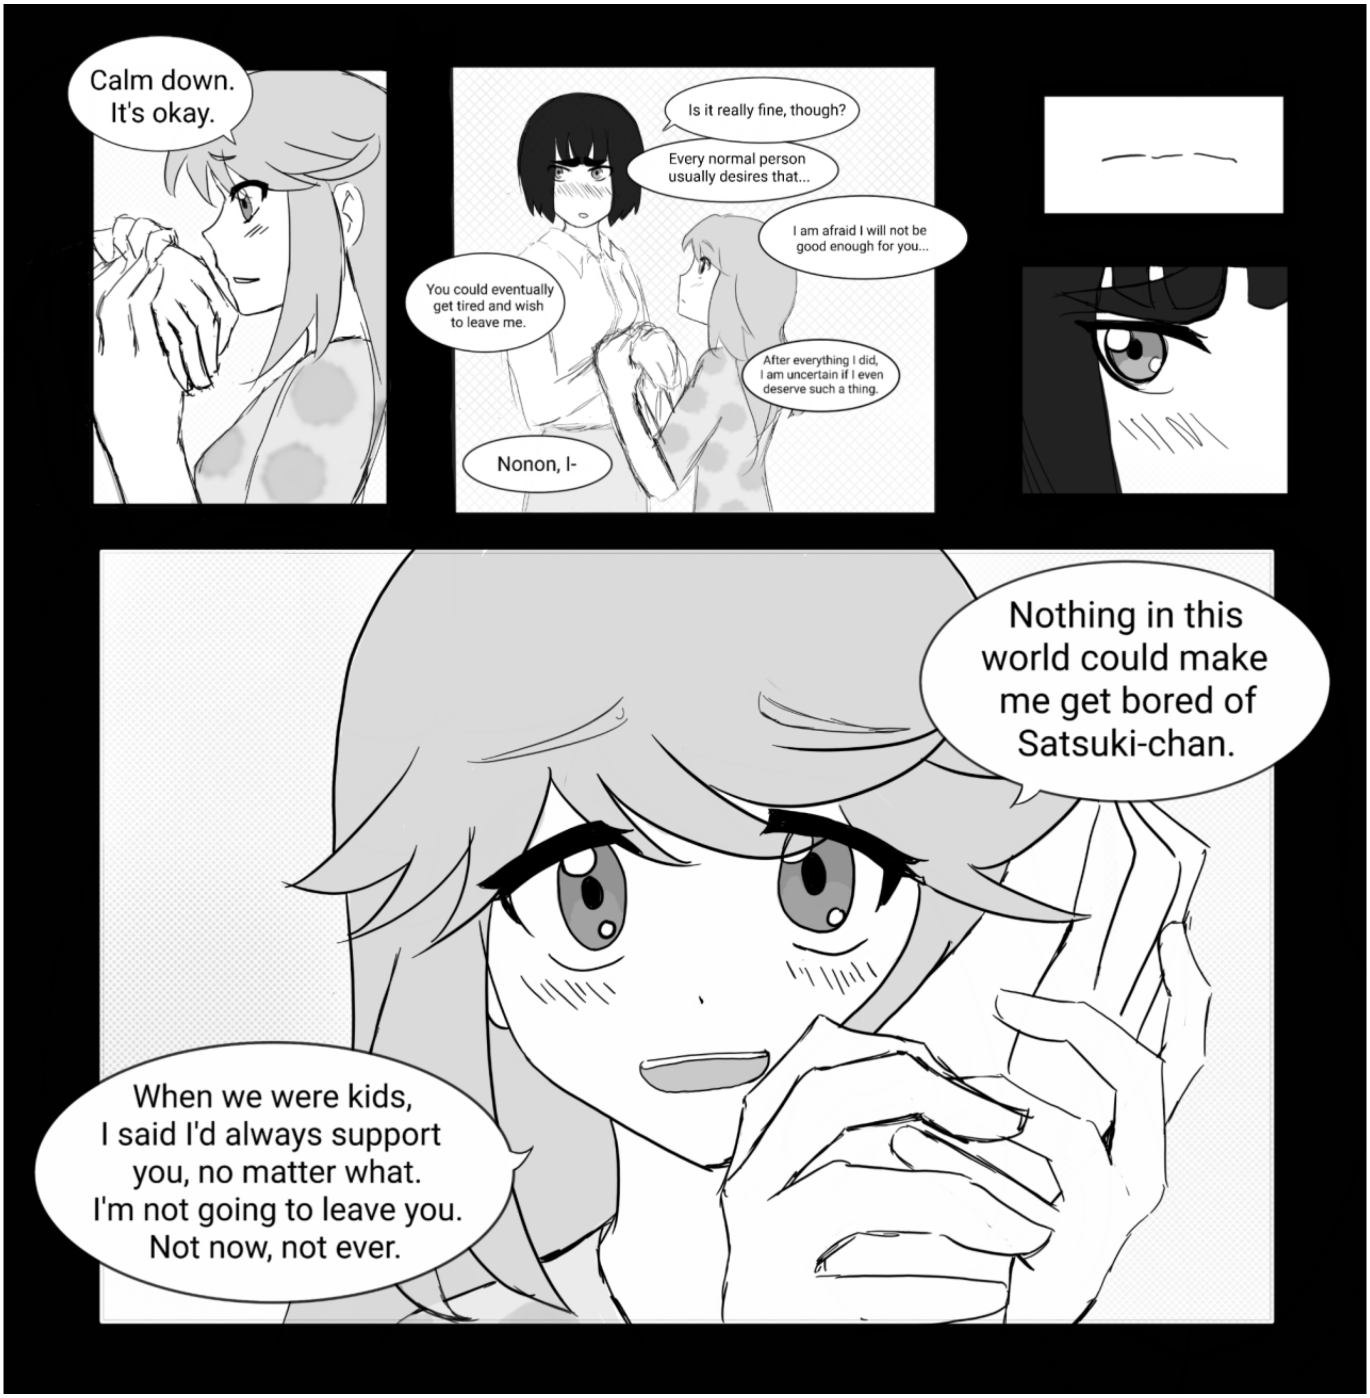
There are many things which I would not be able to give you...
So it would be selfish of me to ask you stay by my side knowing that.
I'm okay with that!
Nonon-



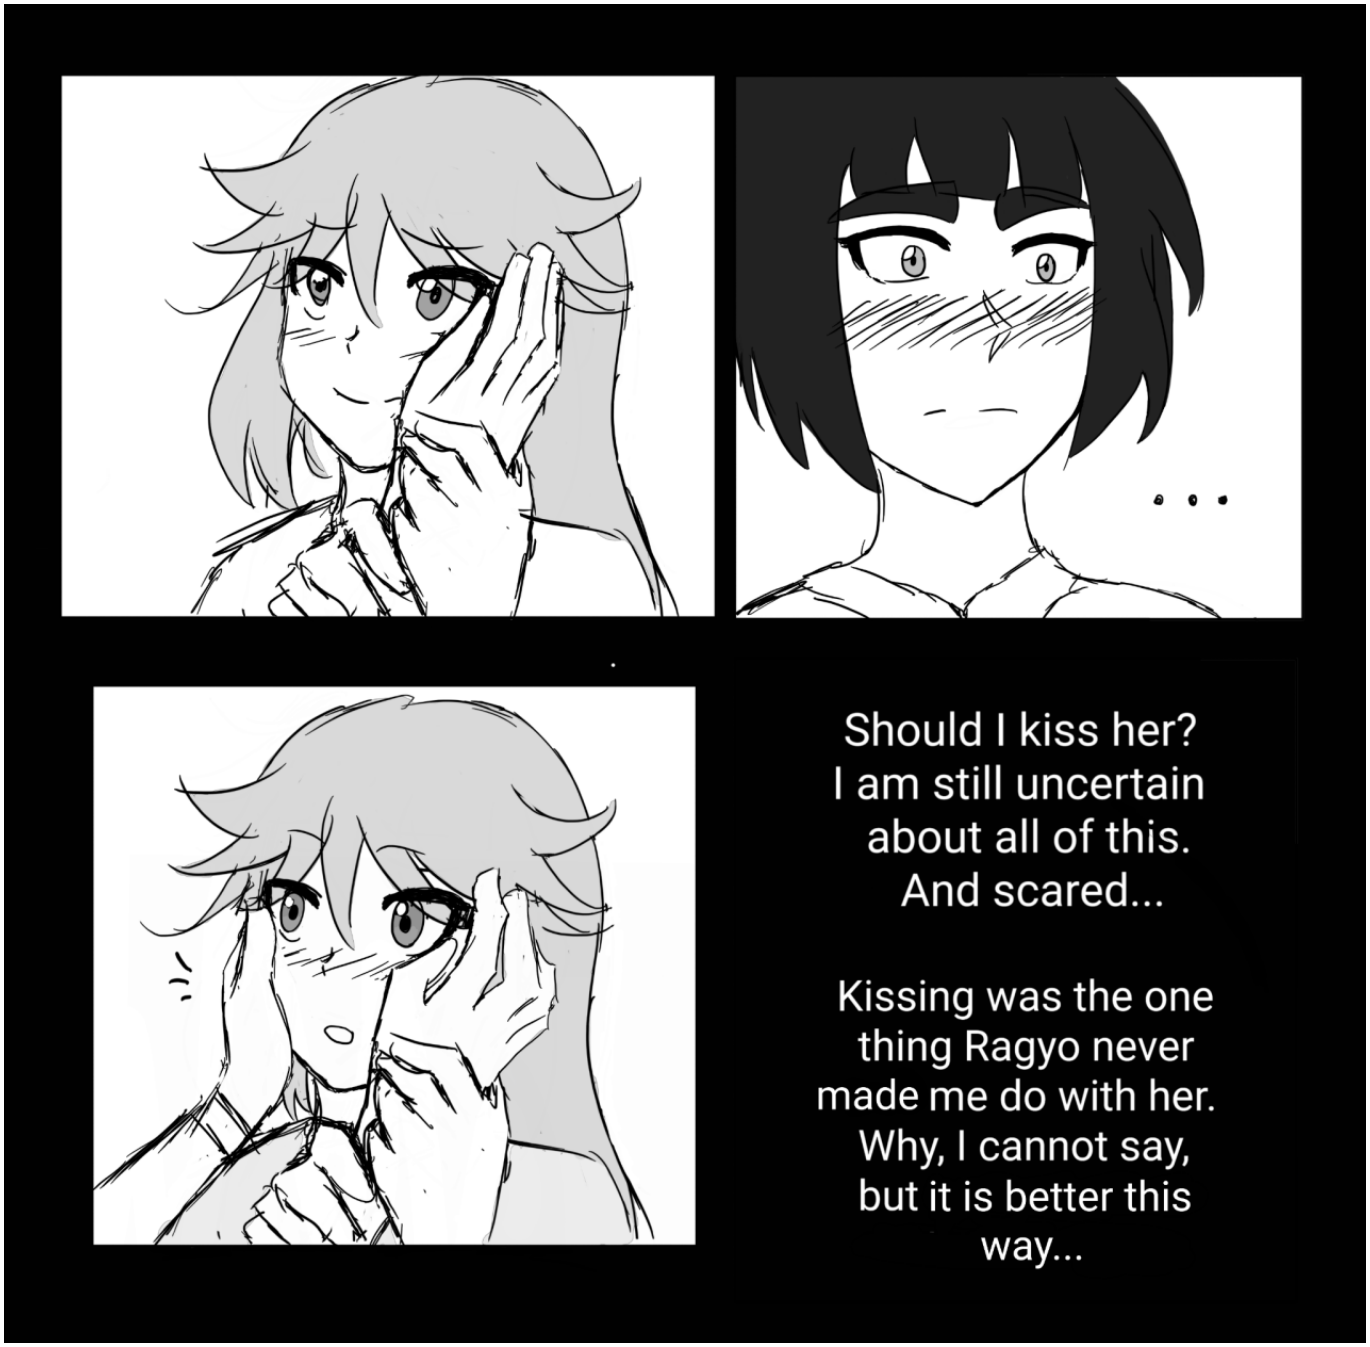
And you're wrong! You're not selfish at all, so don't say that!
As long as I can hold Satsuki-chan's hand like I always have, none of that other stuff matters to me!



All I want is to go where you go!
I don't care if we don't have sex!

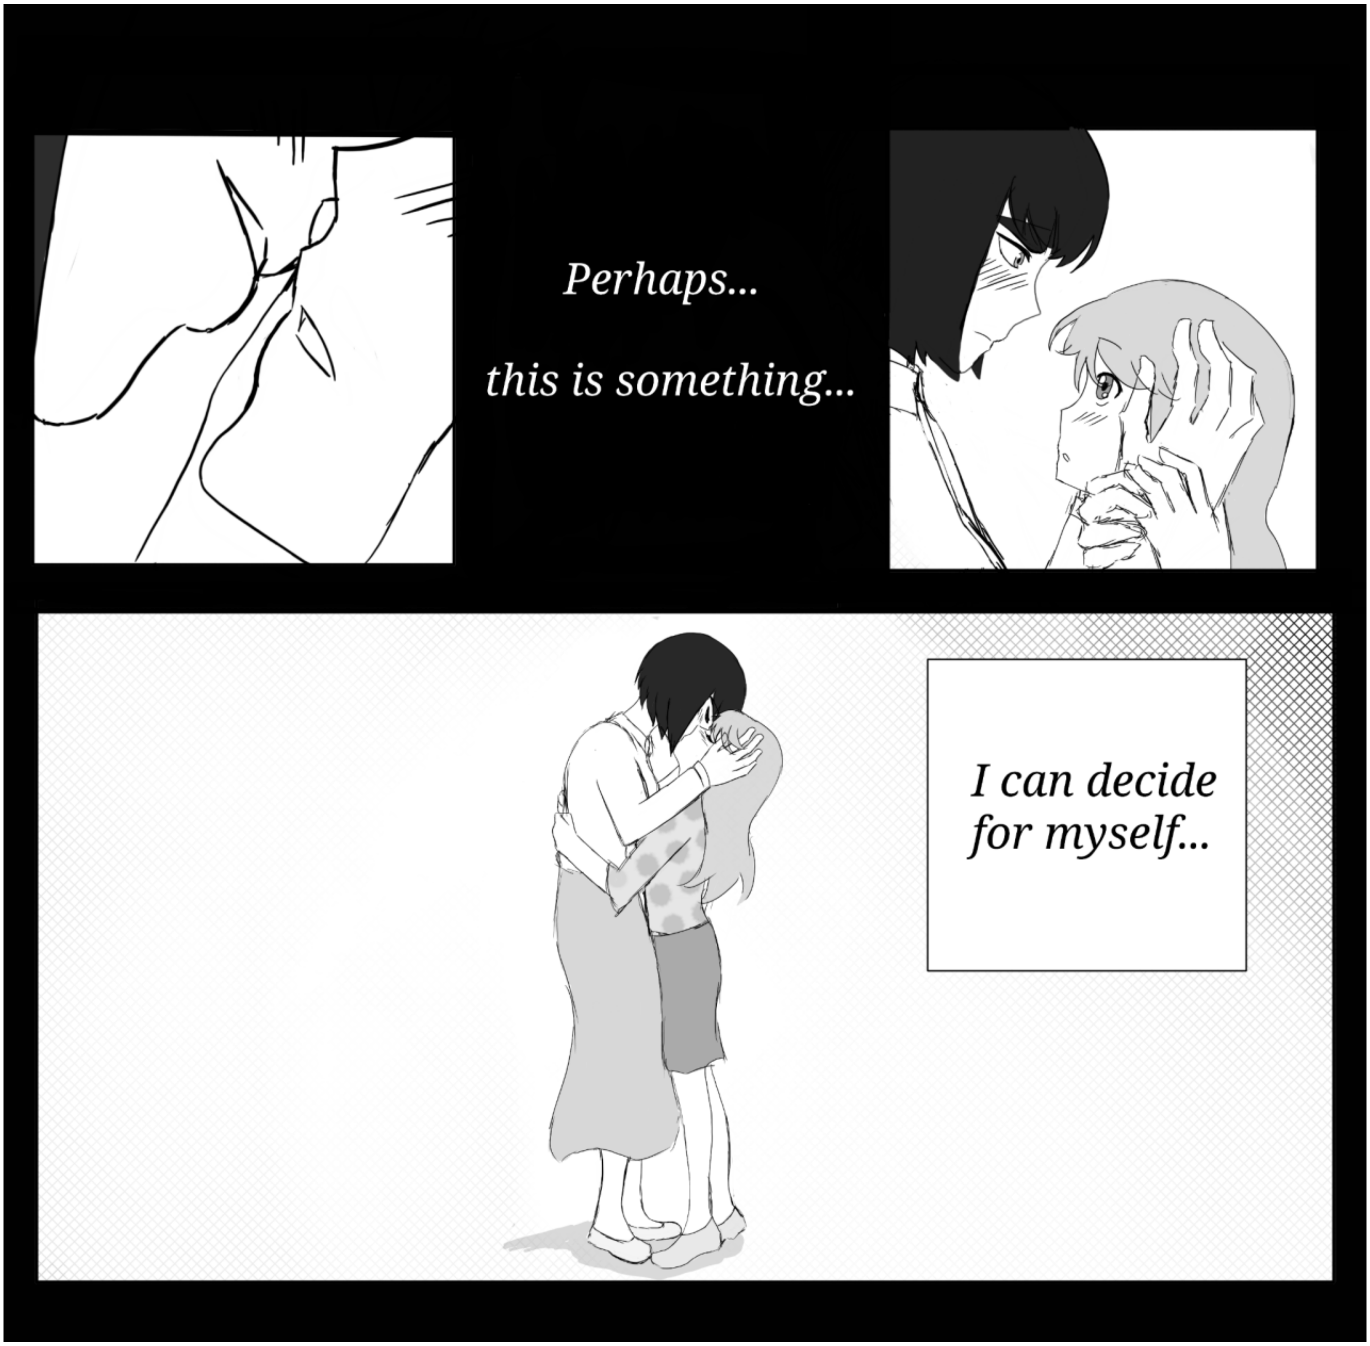


Calm down.
It's okay.
Is it really fine, though?
Every normal person usually desires that...
I am afraid I will not be good enough for you...
You could eventually get tired and wish to leave me.
After everything I did, I am uncertain if I even deserve such a thing.
Nonon, I-
Nothing in this world could make me get bored of Satsuki-chan.
When we were kids, I said I'd always support you, no matter what. I'm not going to leave you. Not now, not ever.



Should I kiss her?
I am still uncertain
about all of this.
And scared...

Kissing was the one
thing Ragyo never
made me do with her.
Why, I cannot say,
but it is better this
way...



Perhaps...
this is something...
I can decide for myself...

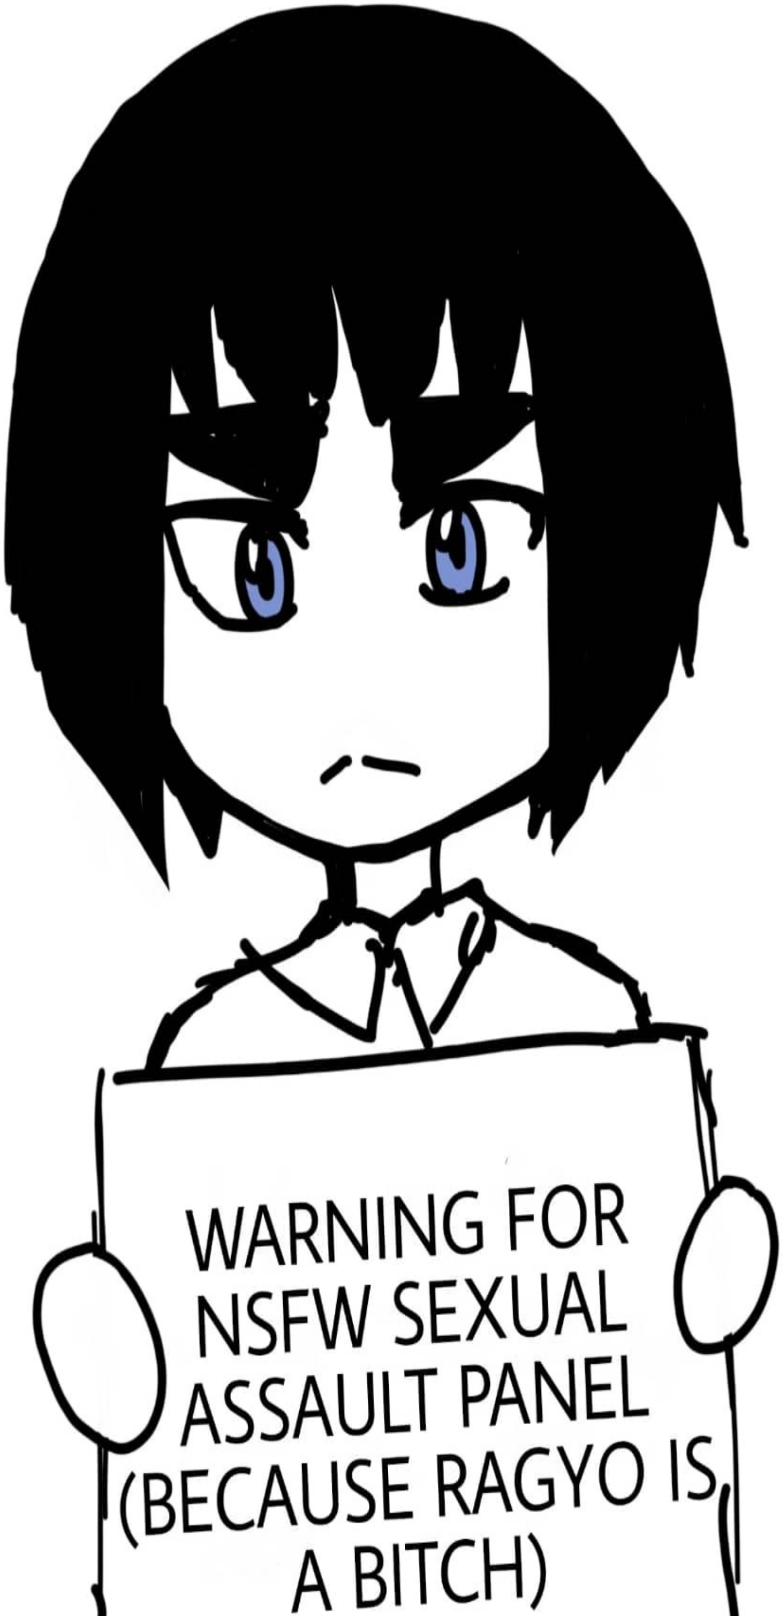
End of chapter 1

"No Covers" is an analogy to Satsuki letting her guard down and fits KLK, it's not meant to be sexual. Due to the nature of Satsuki's trauma, I feel as tho making this comic very sexual will detract from the beauty of Nonon loving Satsuki even if sex isn't involved and also to Satsuki's own feelings.

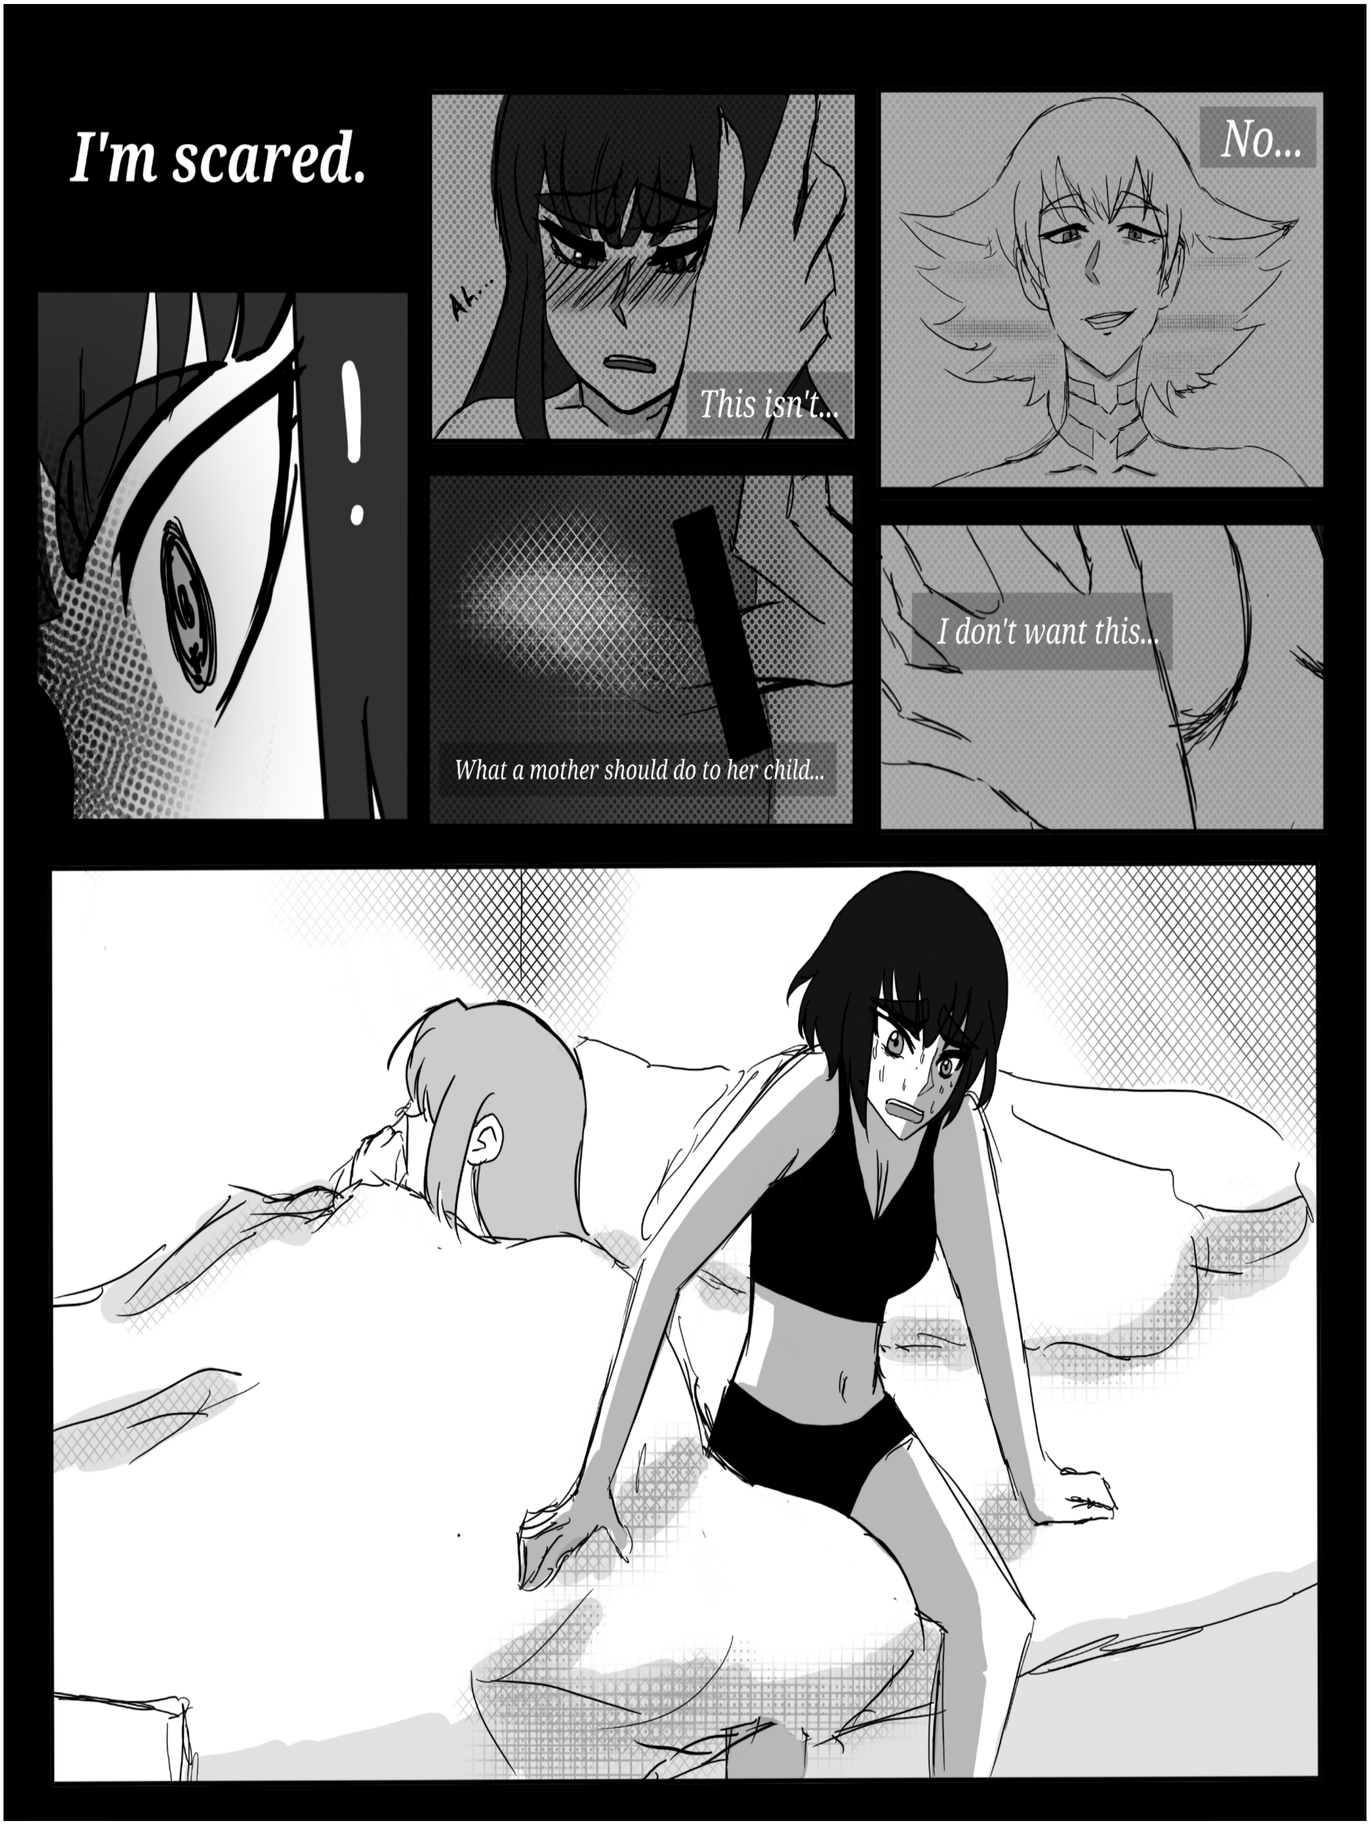
Anyway I hope somebody likes this

Chapter 2

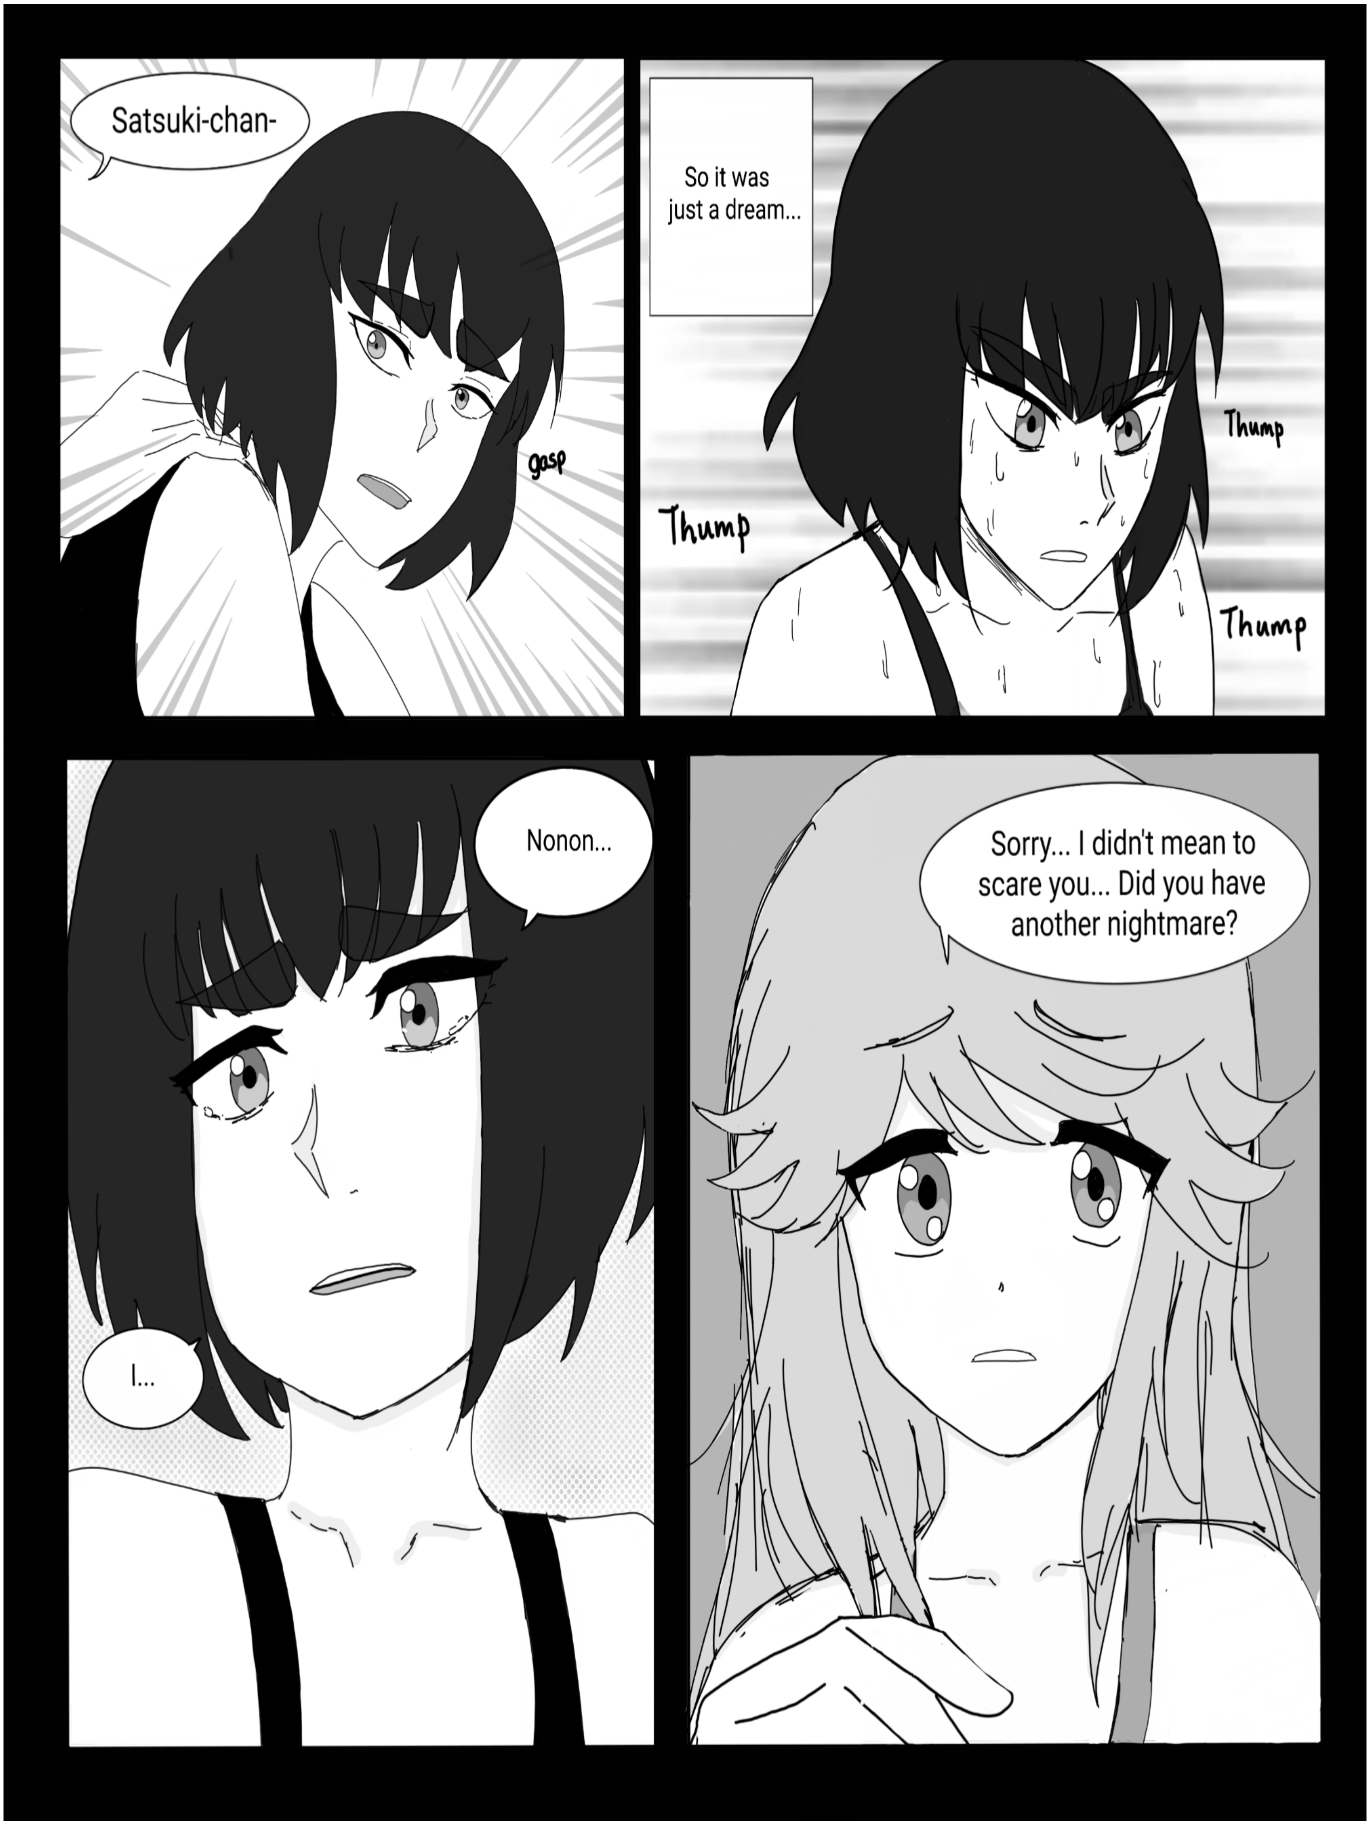
This chapter was extremely hard for me to draw due to the content warnings and my own trauma. I didn't want to linger on the sexual assault scenes for too long to avoid the risk of it seeming fetishy, but I still wanted to depict the horrors of the abuse as they were, so the flashbacks with Ragyo are very brief but still might be a little disturbing for some people. I hope somebody enjoys this despite it.



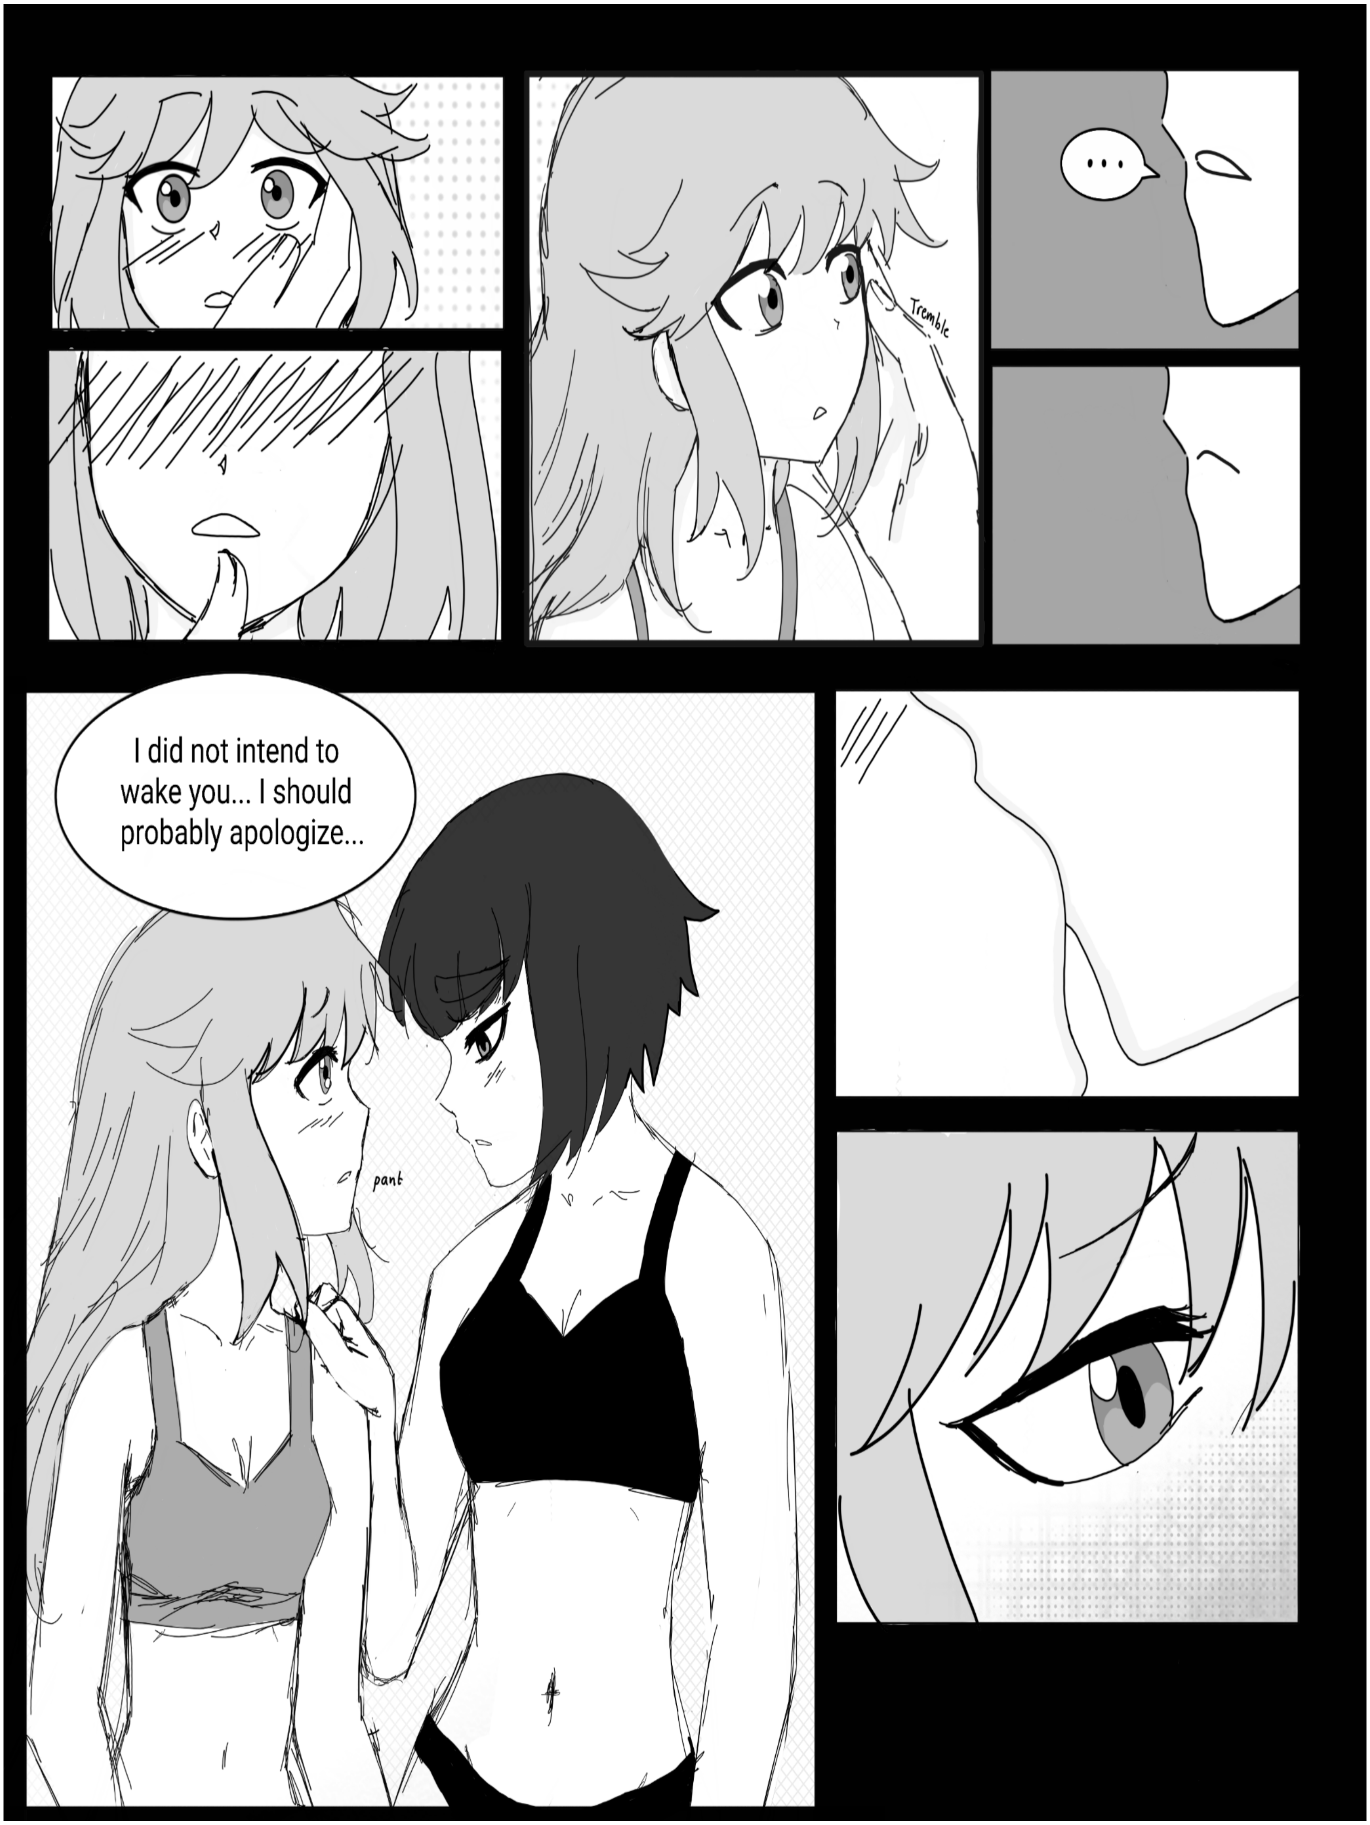
WARNING FOR NSFW SEXUAL ASSAULT PANEL (BECAUSE RAGYO IS A BITCH)



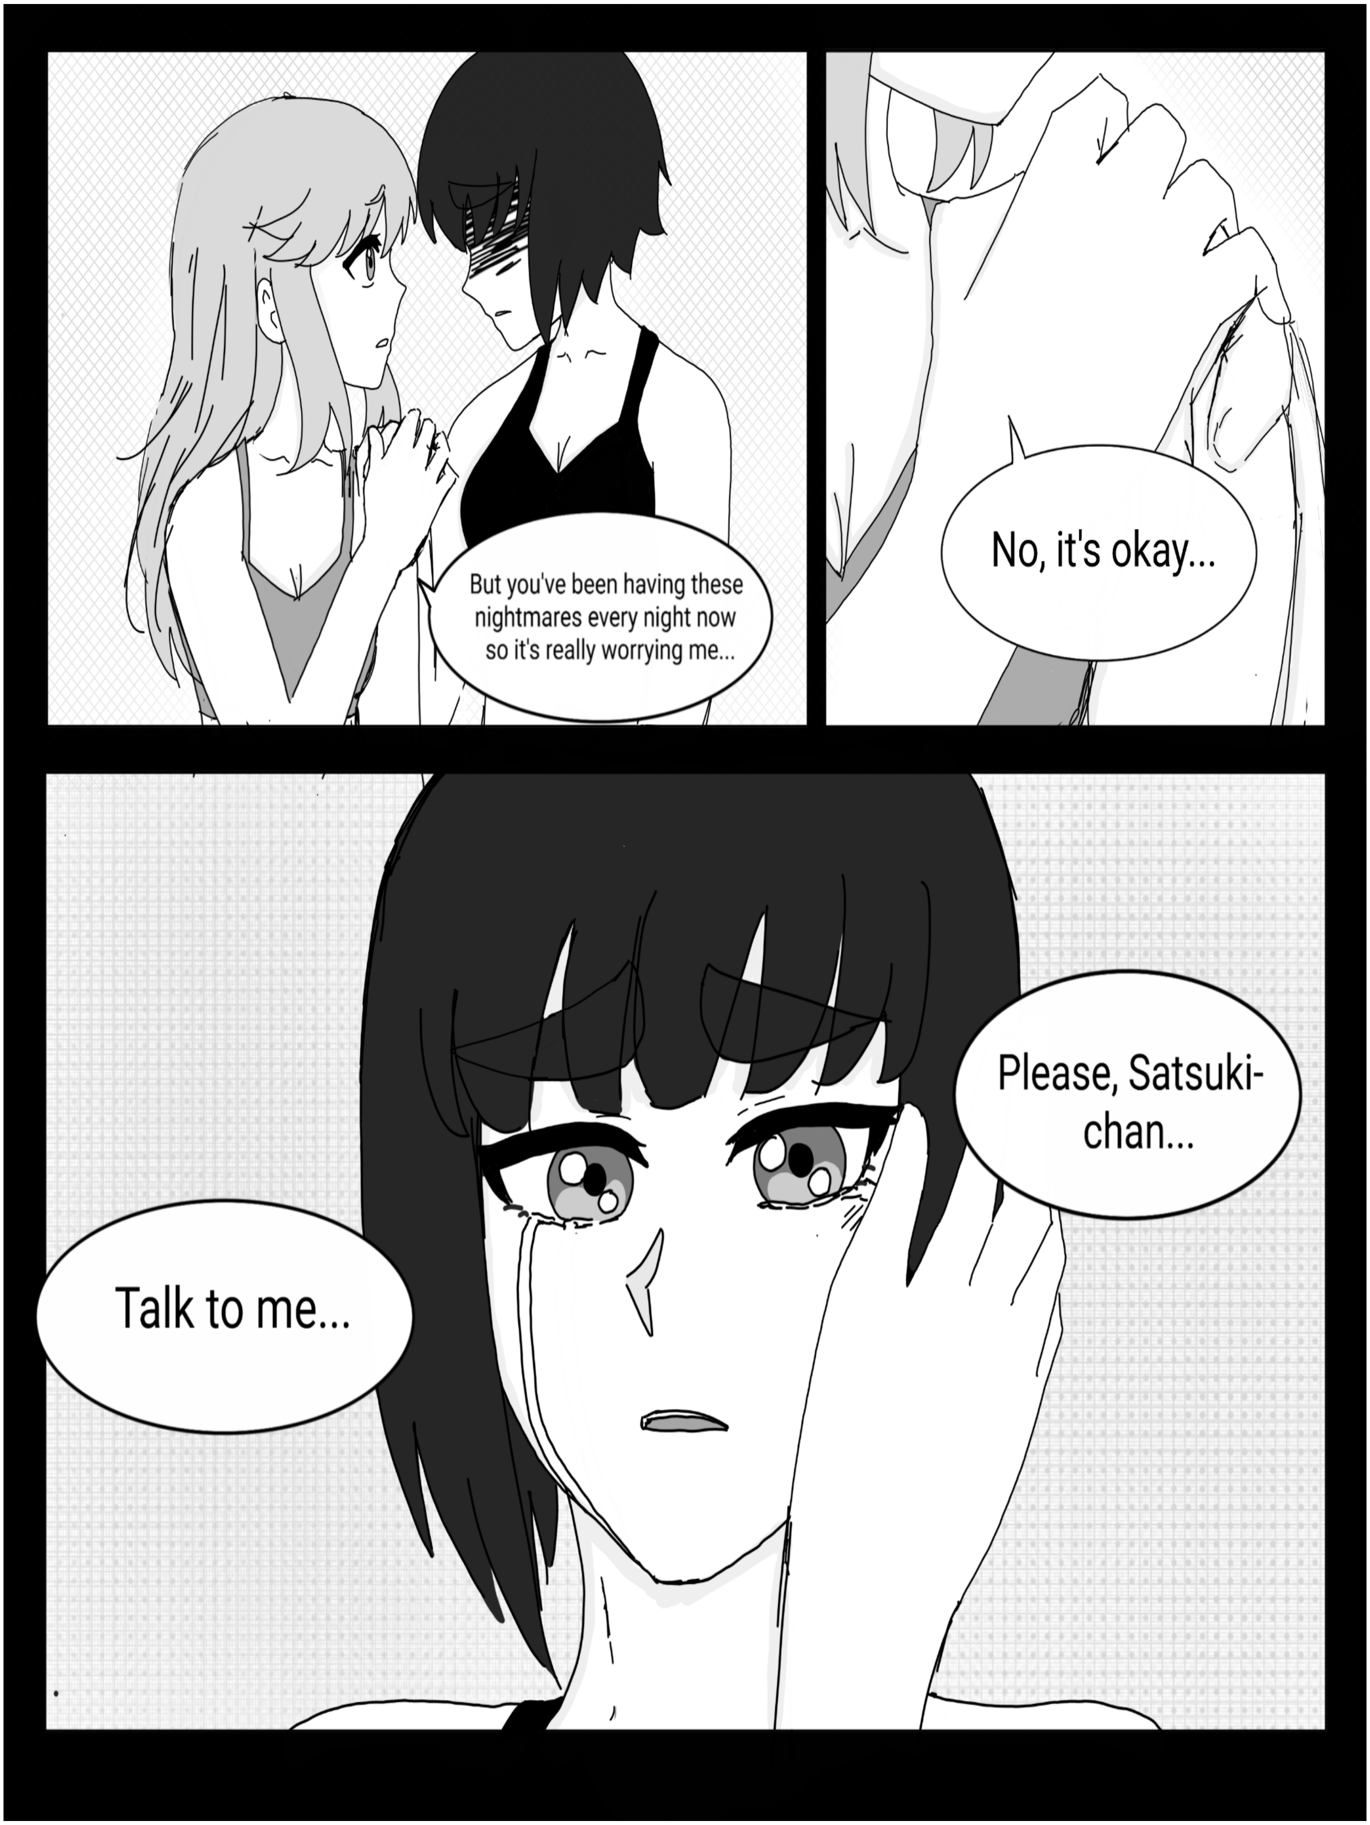
I'm scared.
!
Ah...
This isn't...
What a mother should do to her child..
No...
I don't want this...



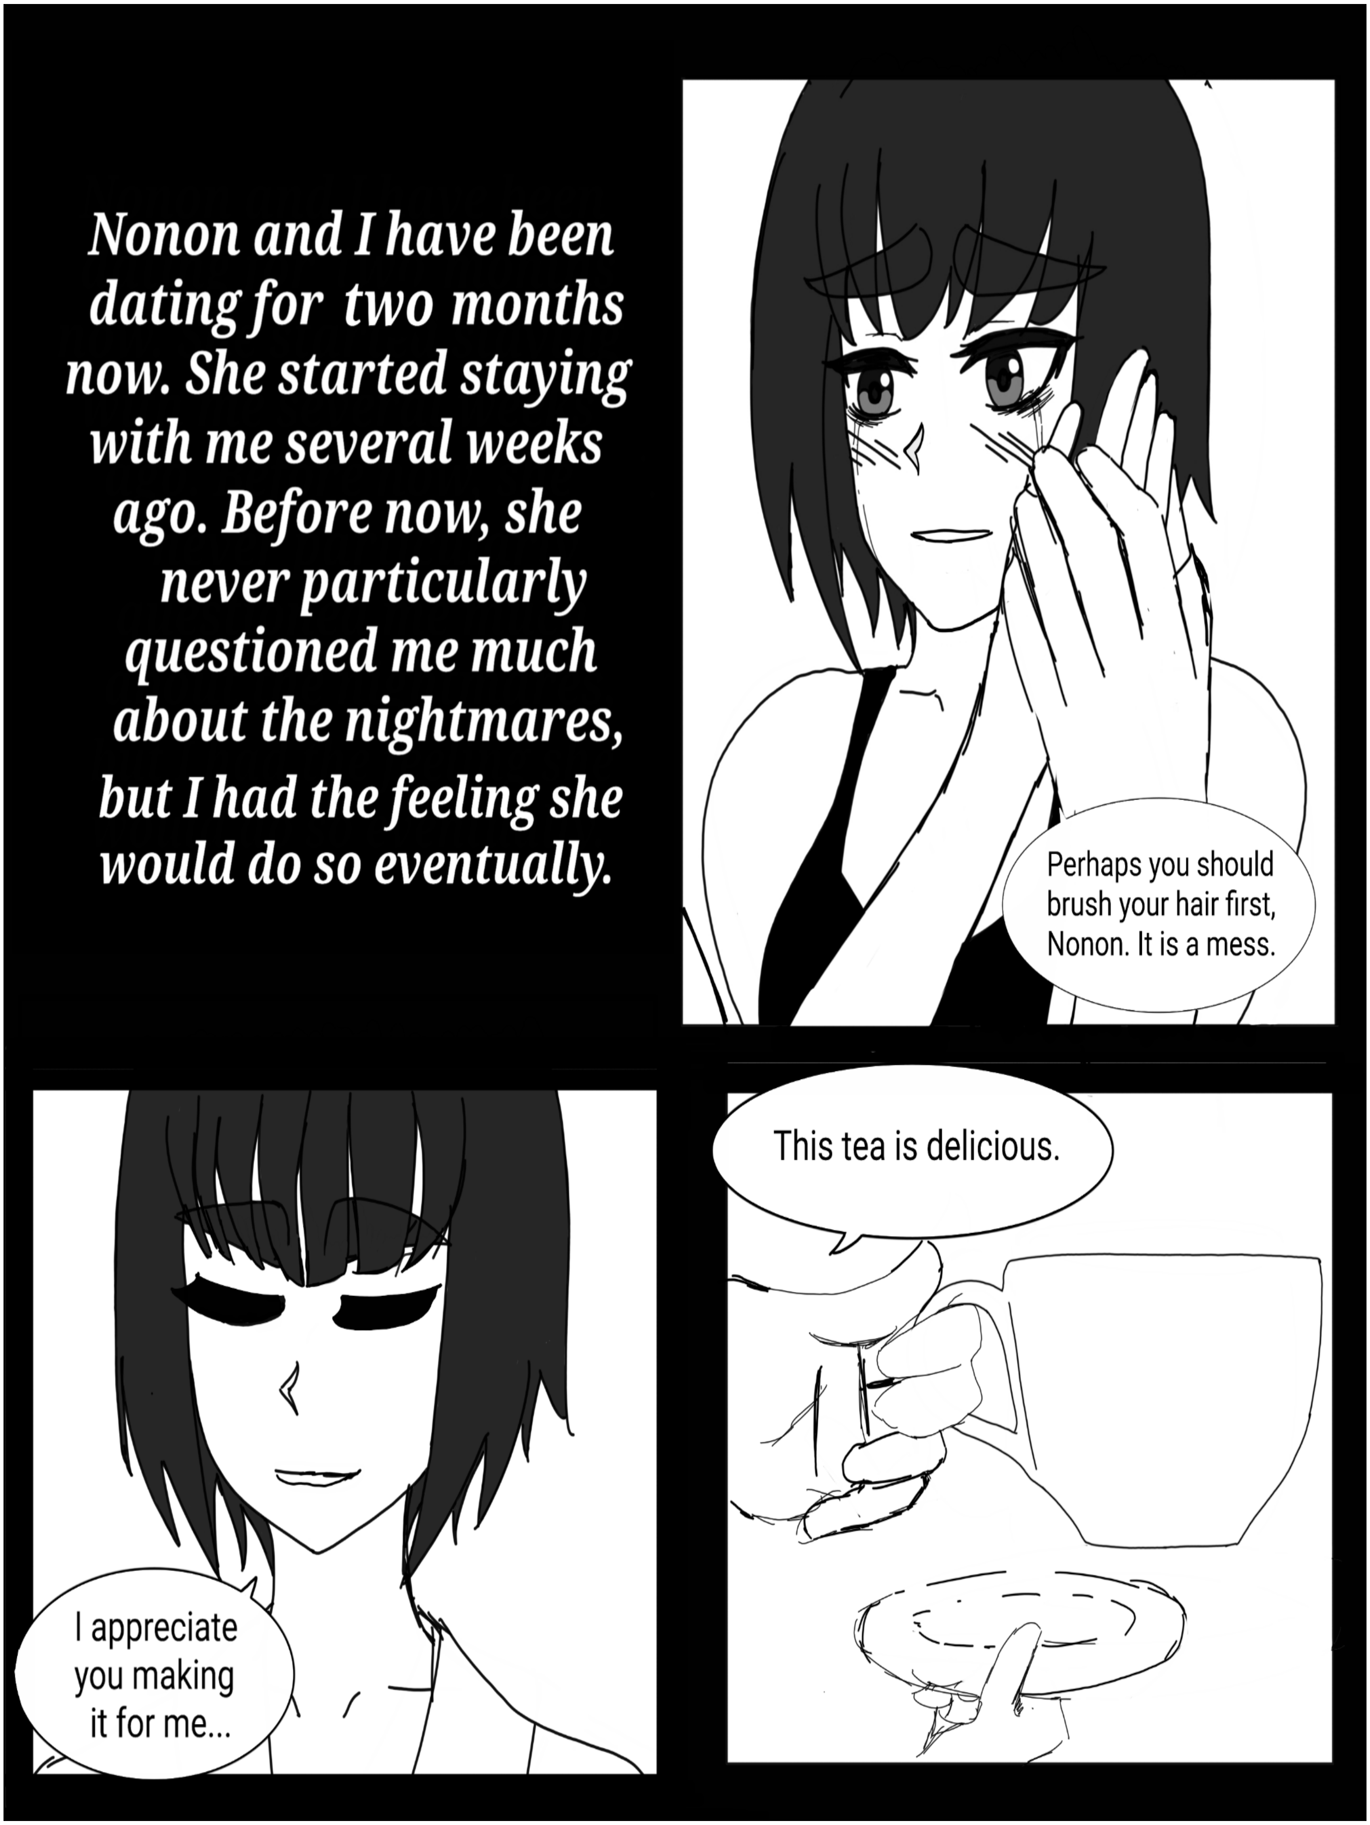
Satsuki-chan-
gasp
So it was just a dream...
Thump
Thump
Thump
Nonon...
I...
Sorry... I didn't mean to scare you... Did you have another nightmare?



Tremble
...
I did not intend to wake you... I should probably apologize...
pant

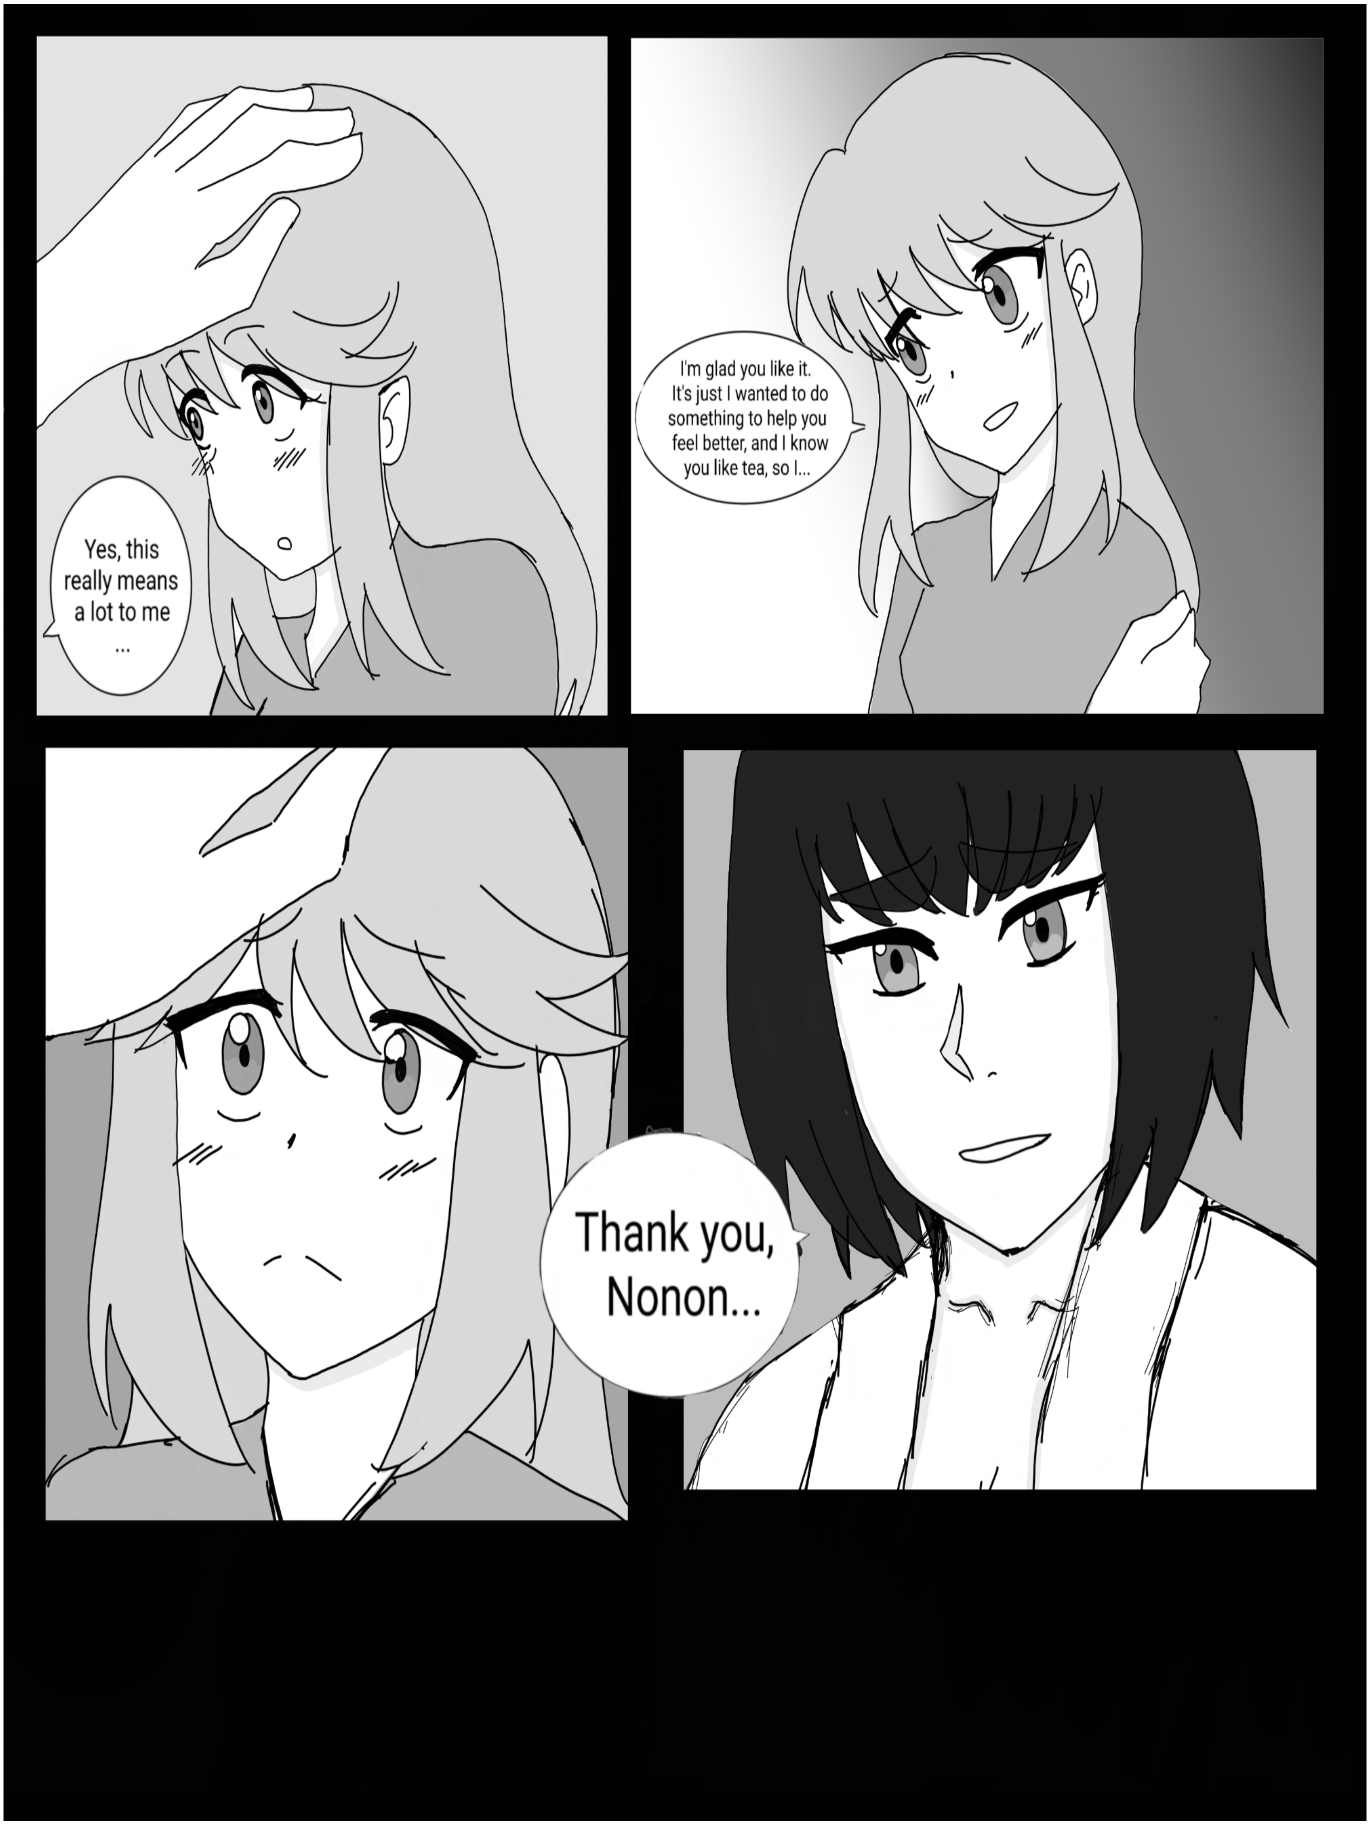


But you've been having these nightmares every night now so it's really worrying me...
No, it's okay...
Please, Satsuki-chan...
Talk to me...

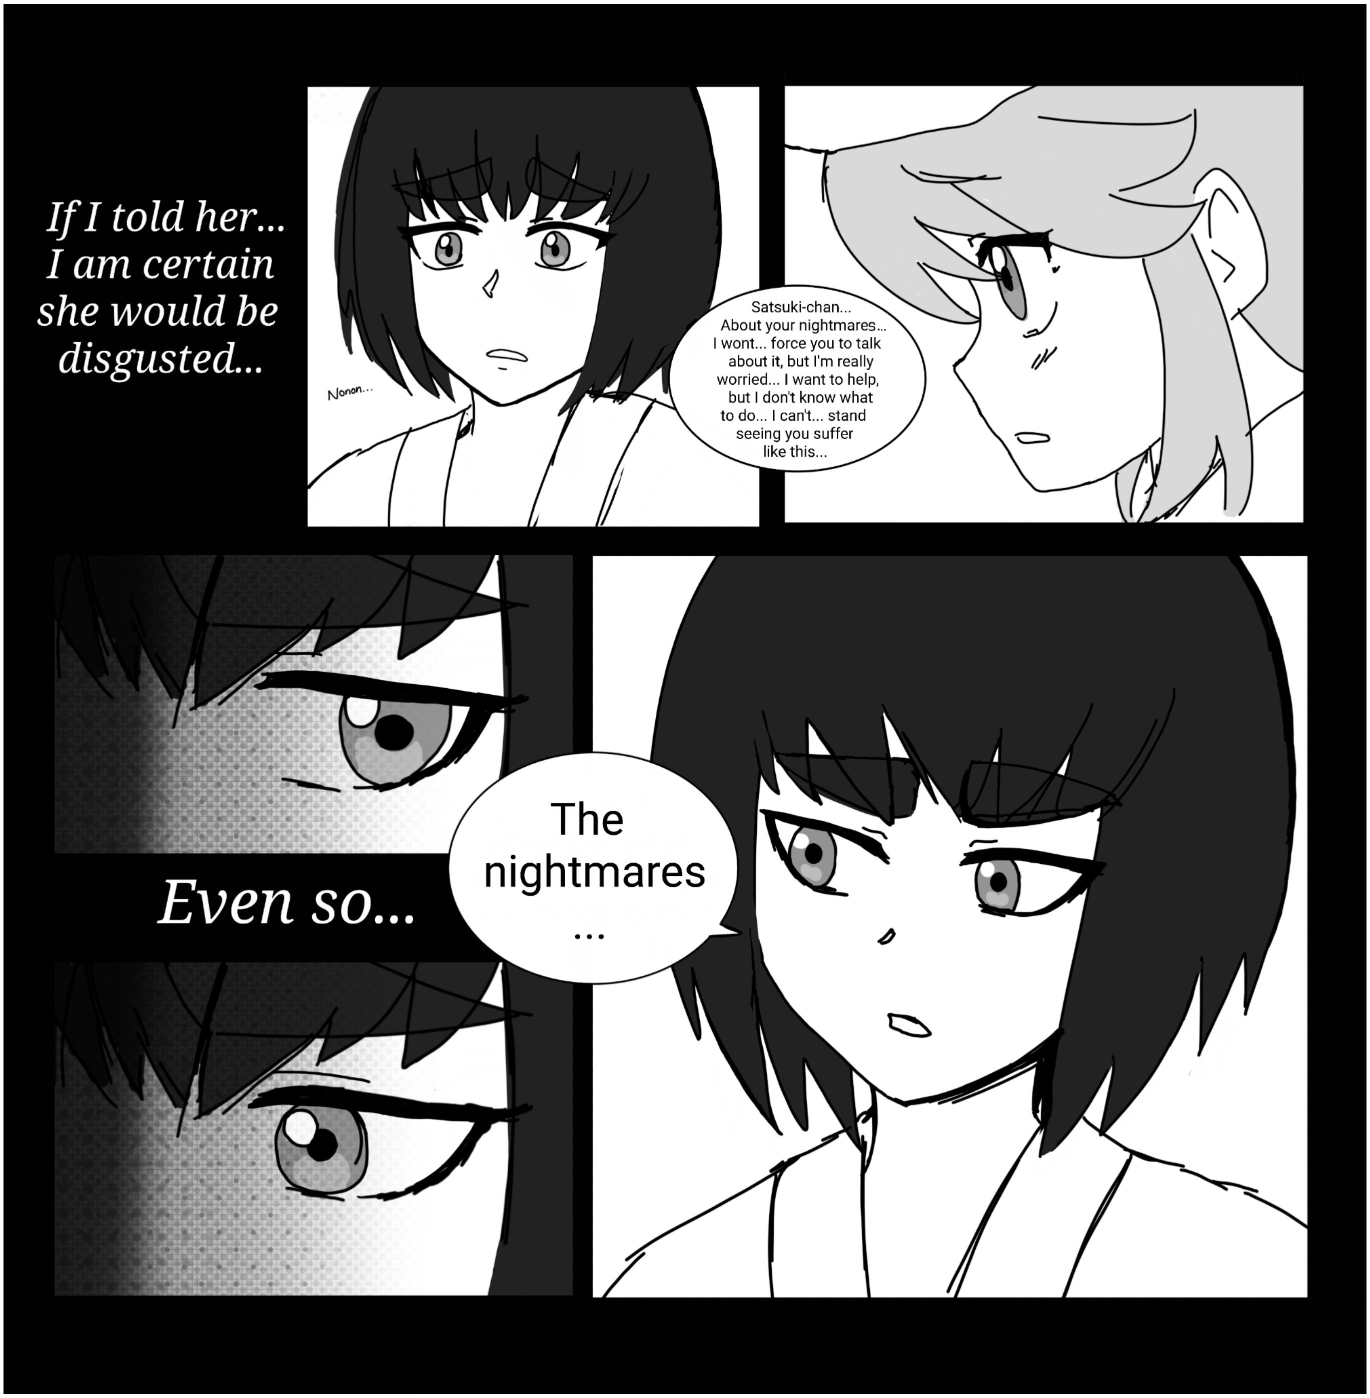


Nonon and I have been dating for two months now. She started staying with me several weeks ago. Before now, she never particularly questioned me much about the nightmares, but I had the feeling she would do so eventually.

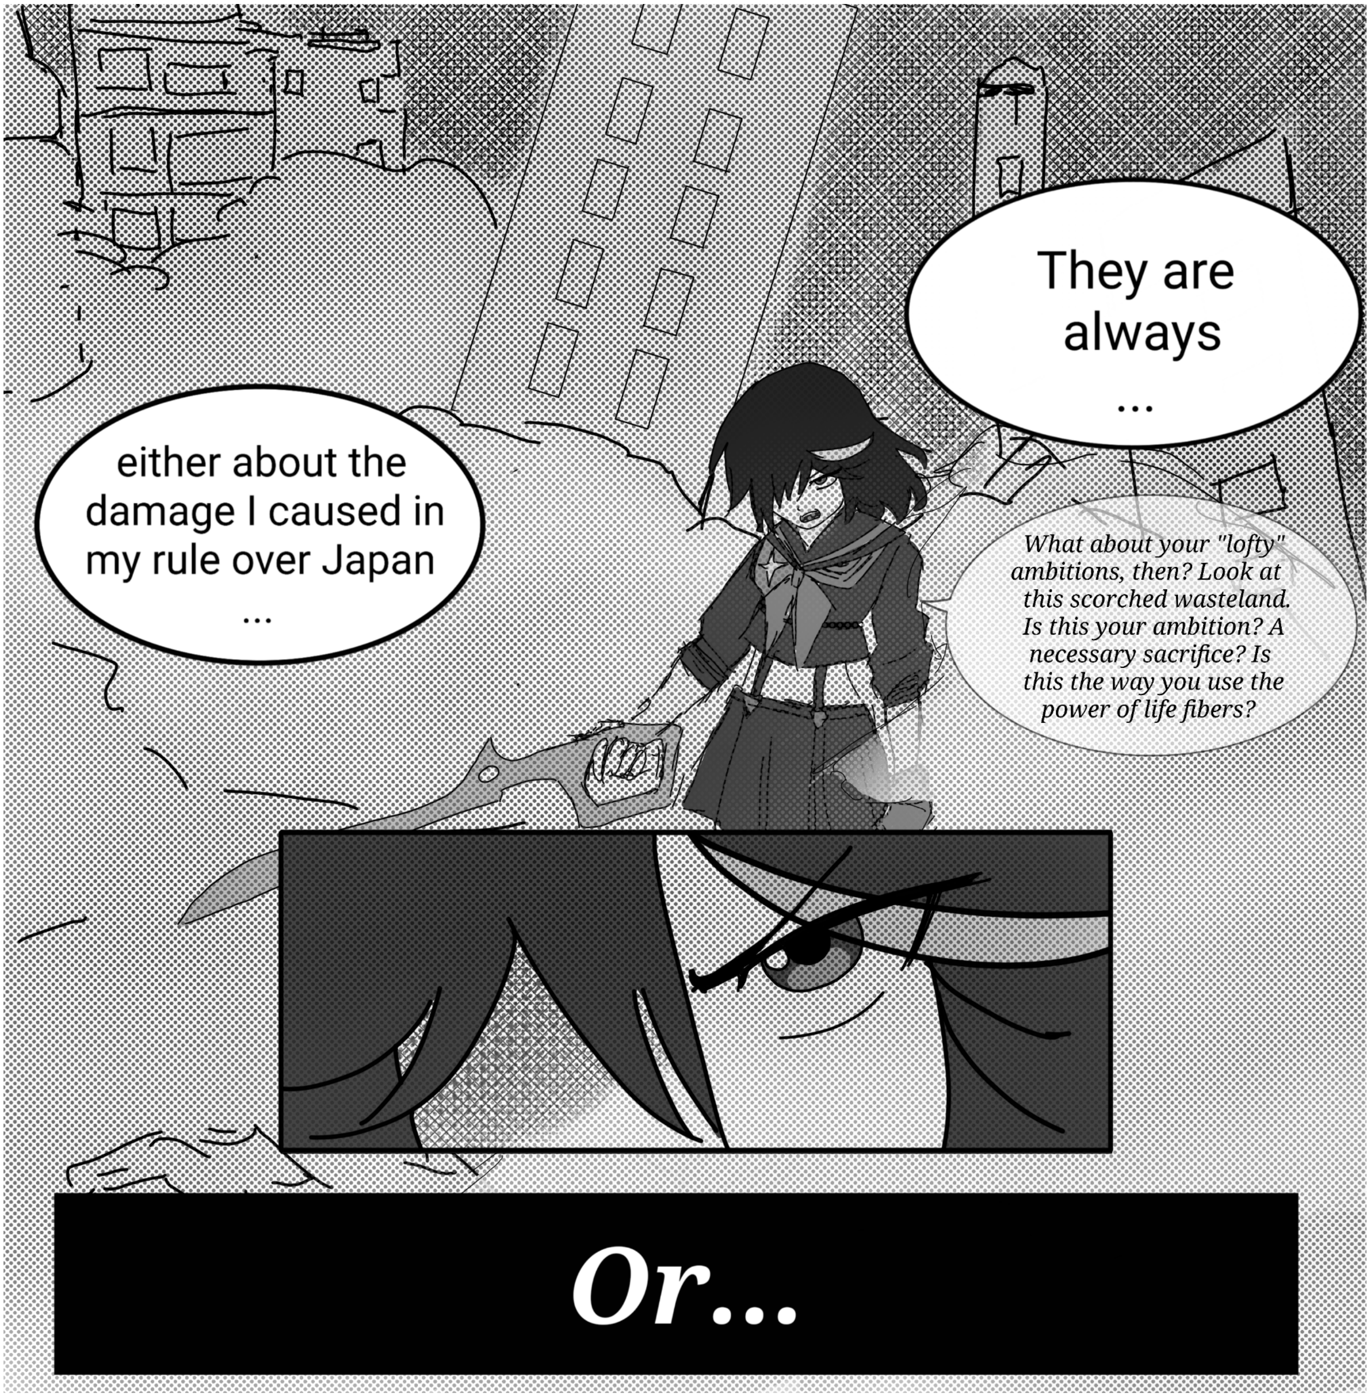
Perhaps you should brush your hair first, Nonon. It is a mess.
I appreciate you making it for me...
This tea is delicious.



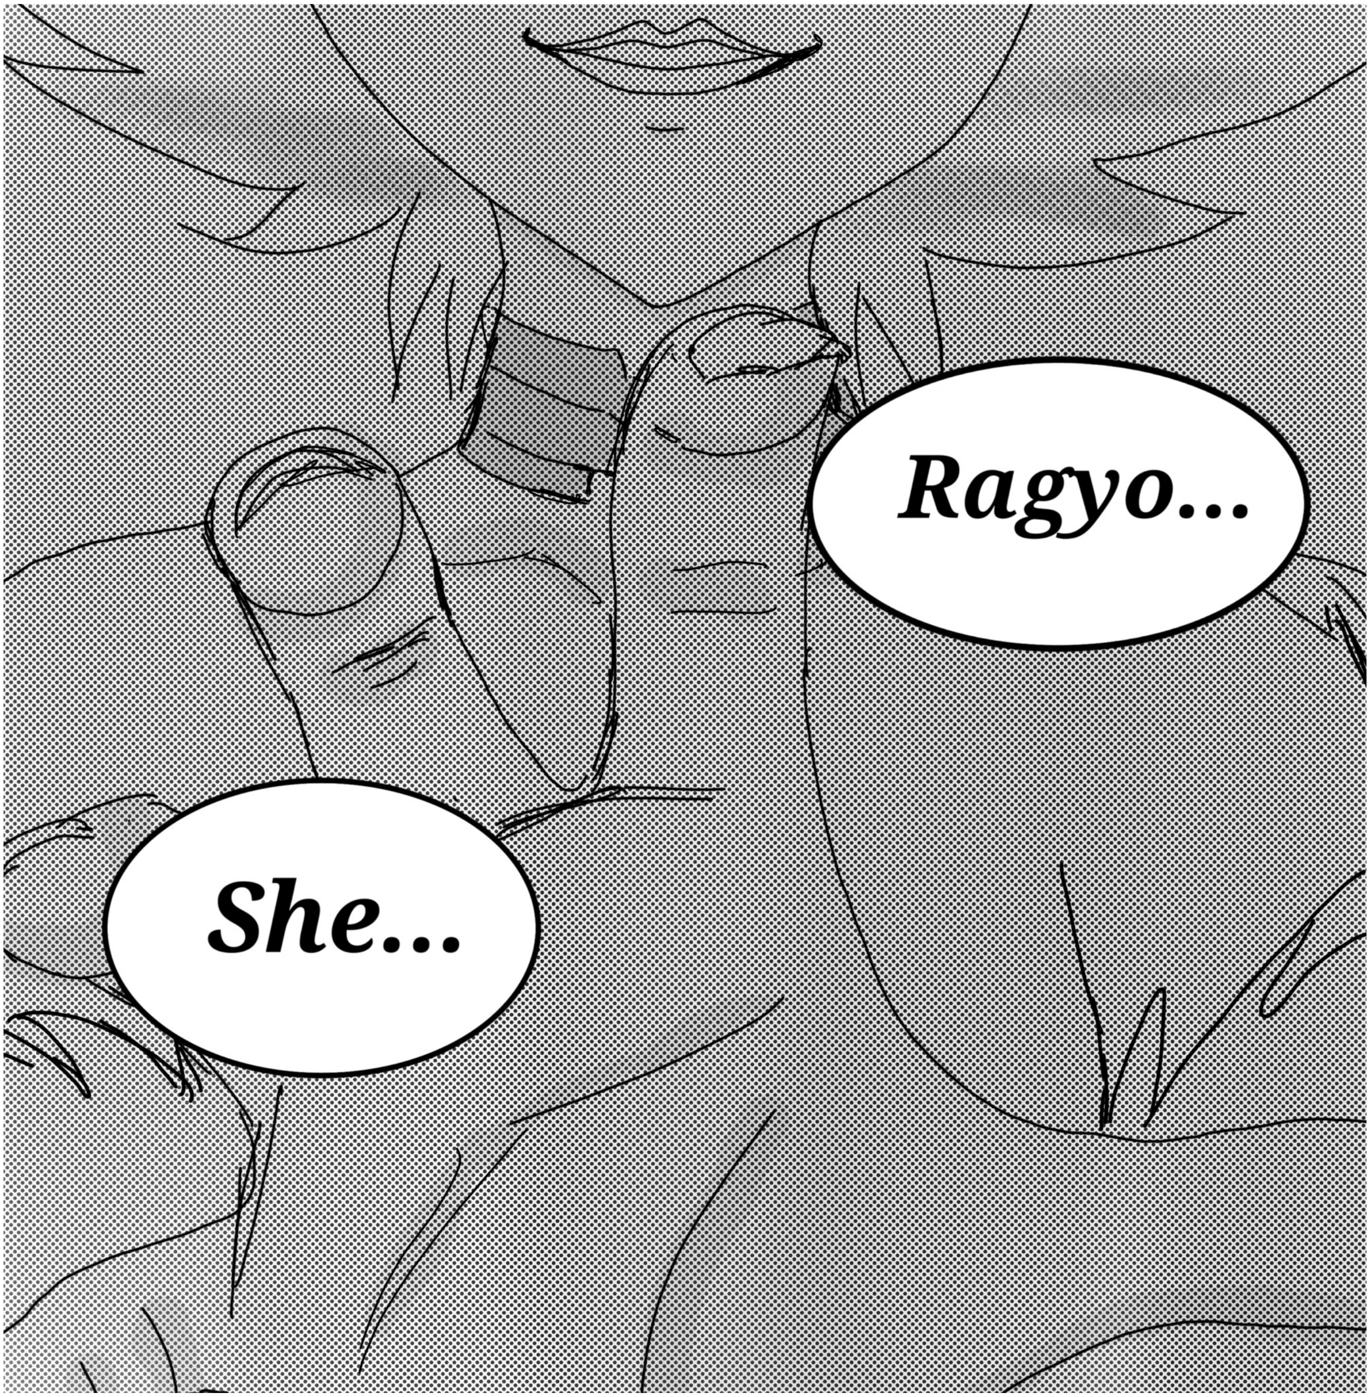
Yes, this really means a lot to me ...
I'm glad you like it. It's just I wanted to do something to help you feel better, and I know you like tea, so I...
Thank you, Nonon...



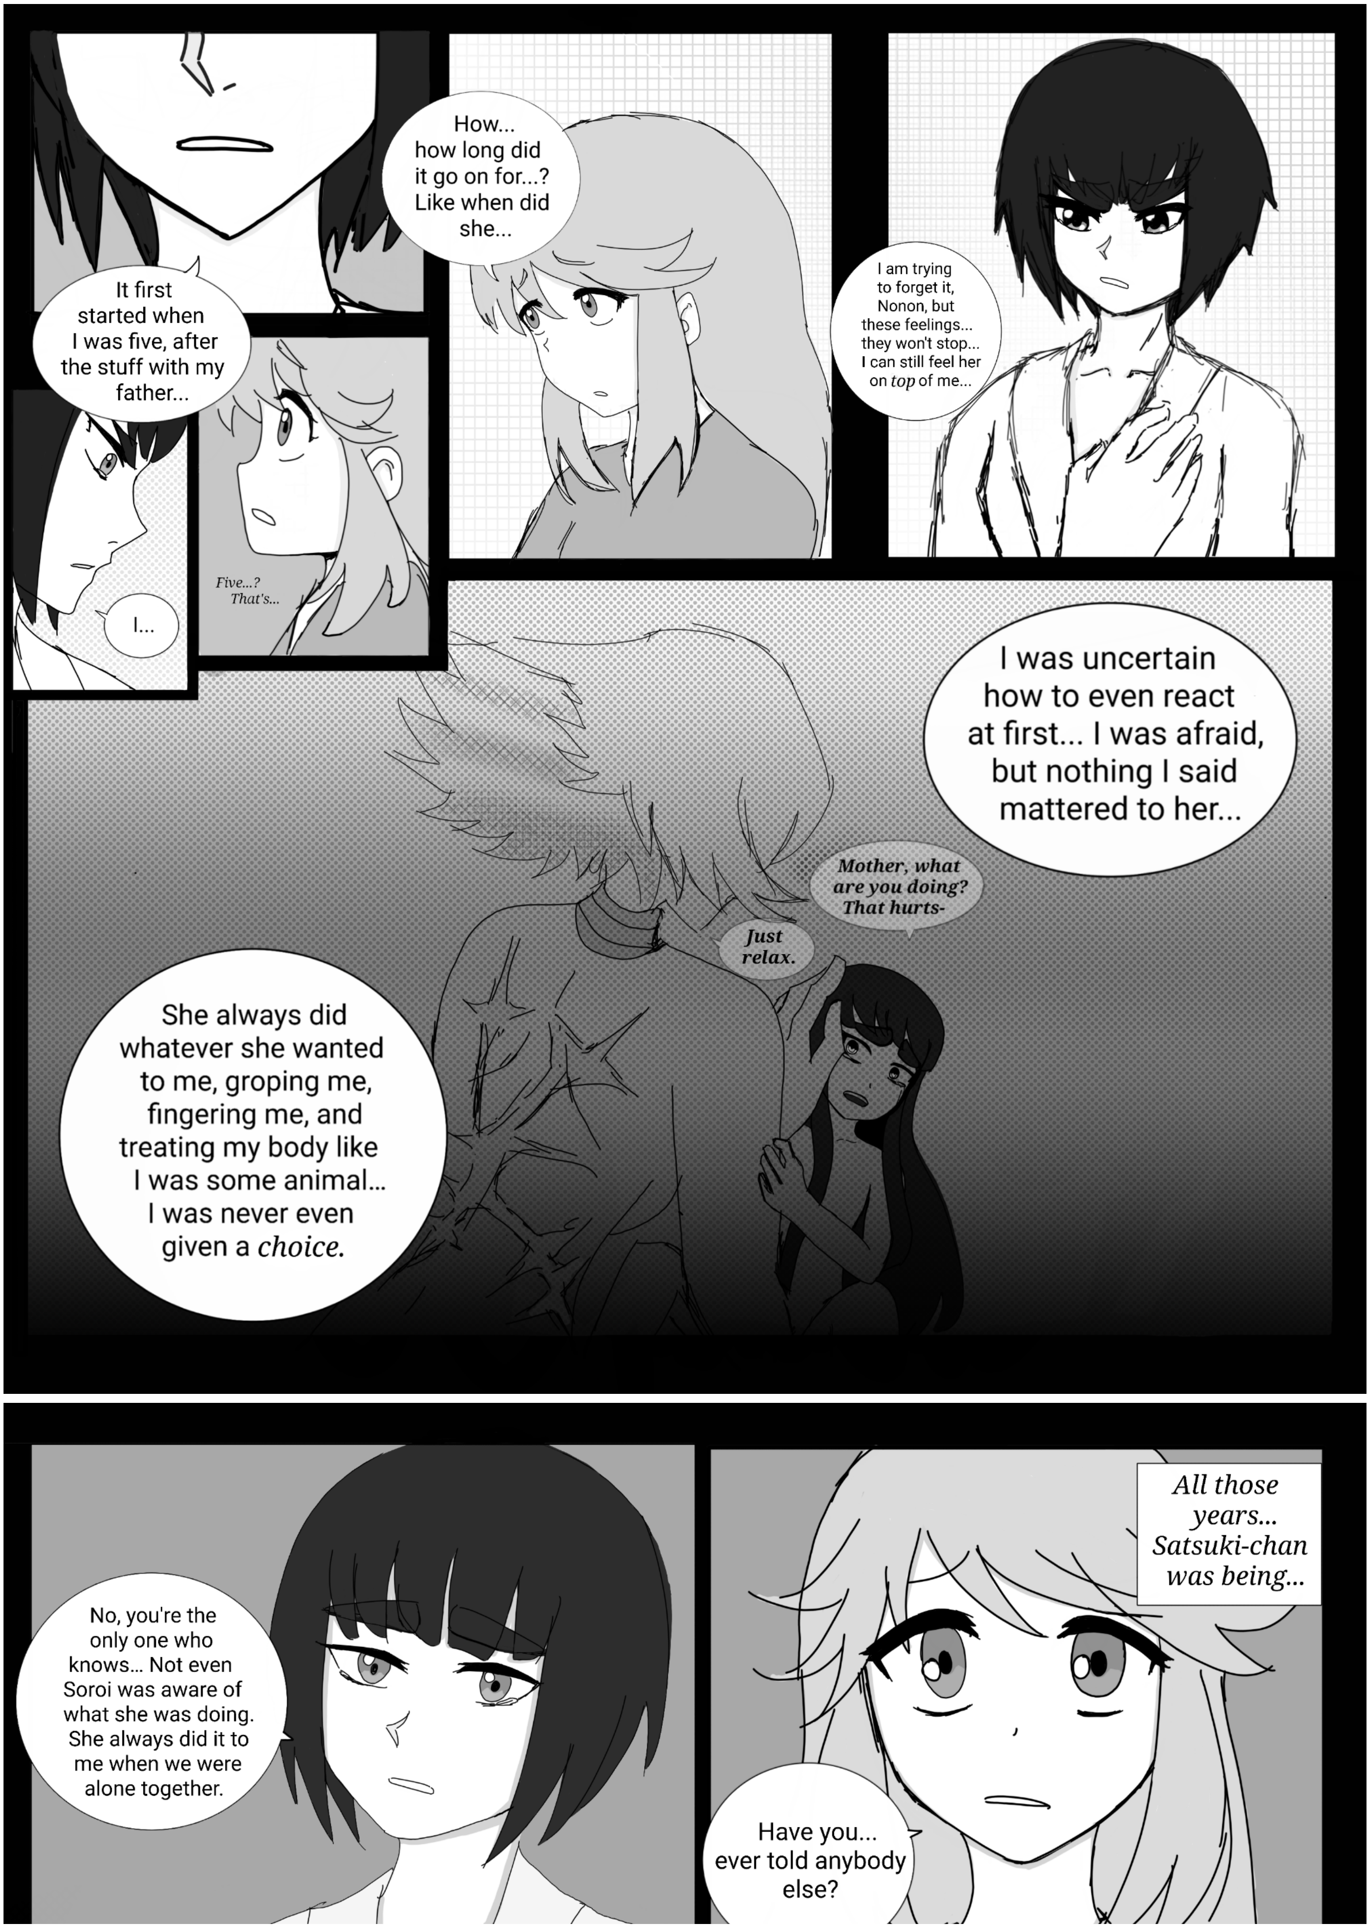
If I told her... I am certain she would be disgusted...
Nonon...
Satsuki-chan... About your nightmares... I wont... force you to talk about it, but I'm really worried... I want to help, but I don't know what to do... I can't... stand seeing you suffer like this...
Even so...
The nightmares ...



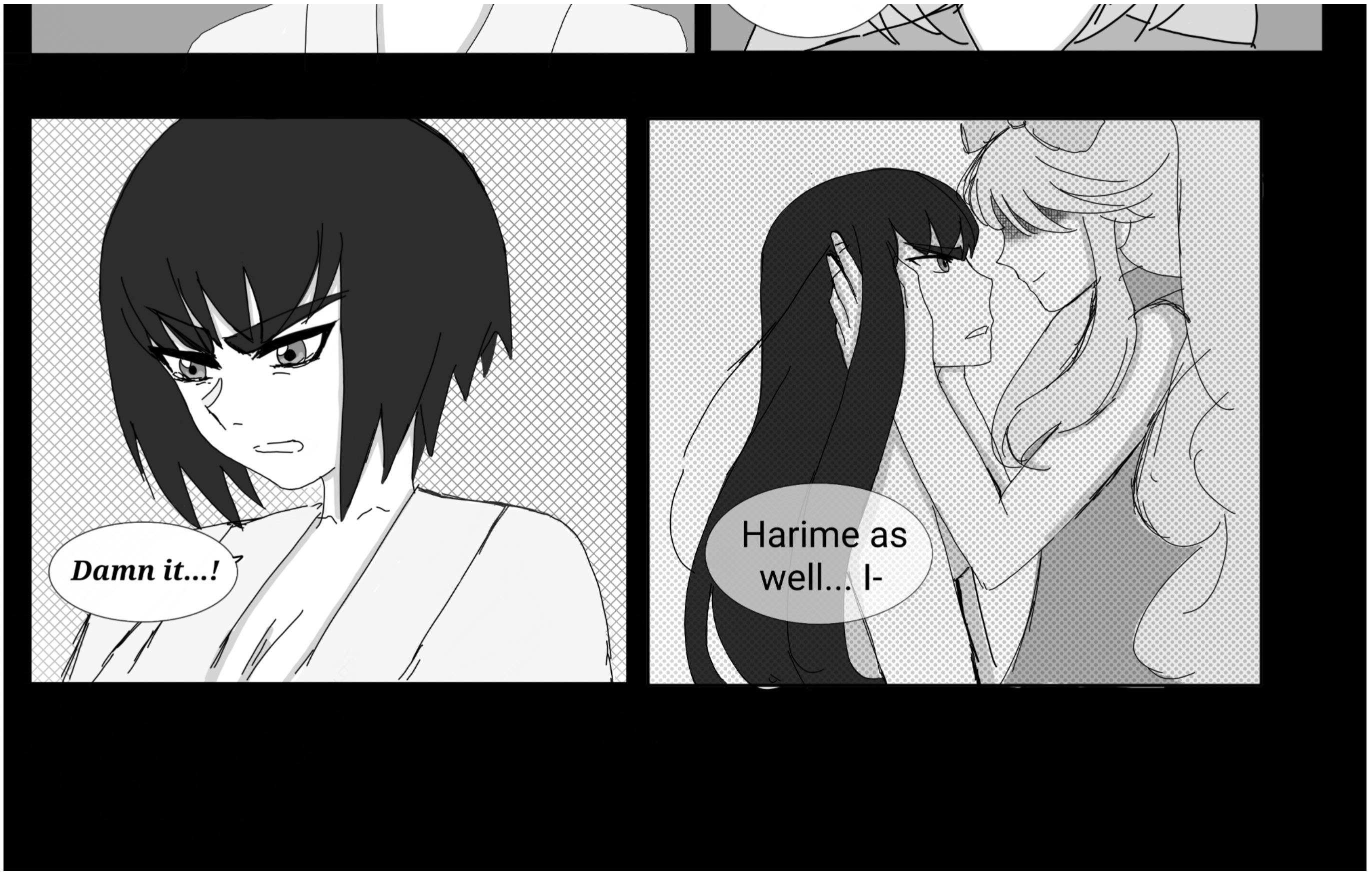
They are always ...
either about the damage I caused in my rule over Japan ...
What about your "lofty" ambitions, then? Look at this scorched wasteland. Is this your ambition? A necessary sacrifice? Is this the way you use the power of life fibers?
Or...



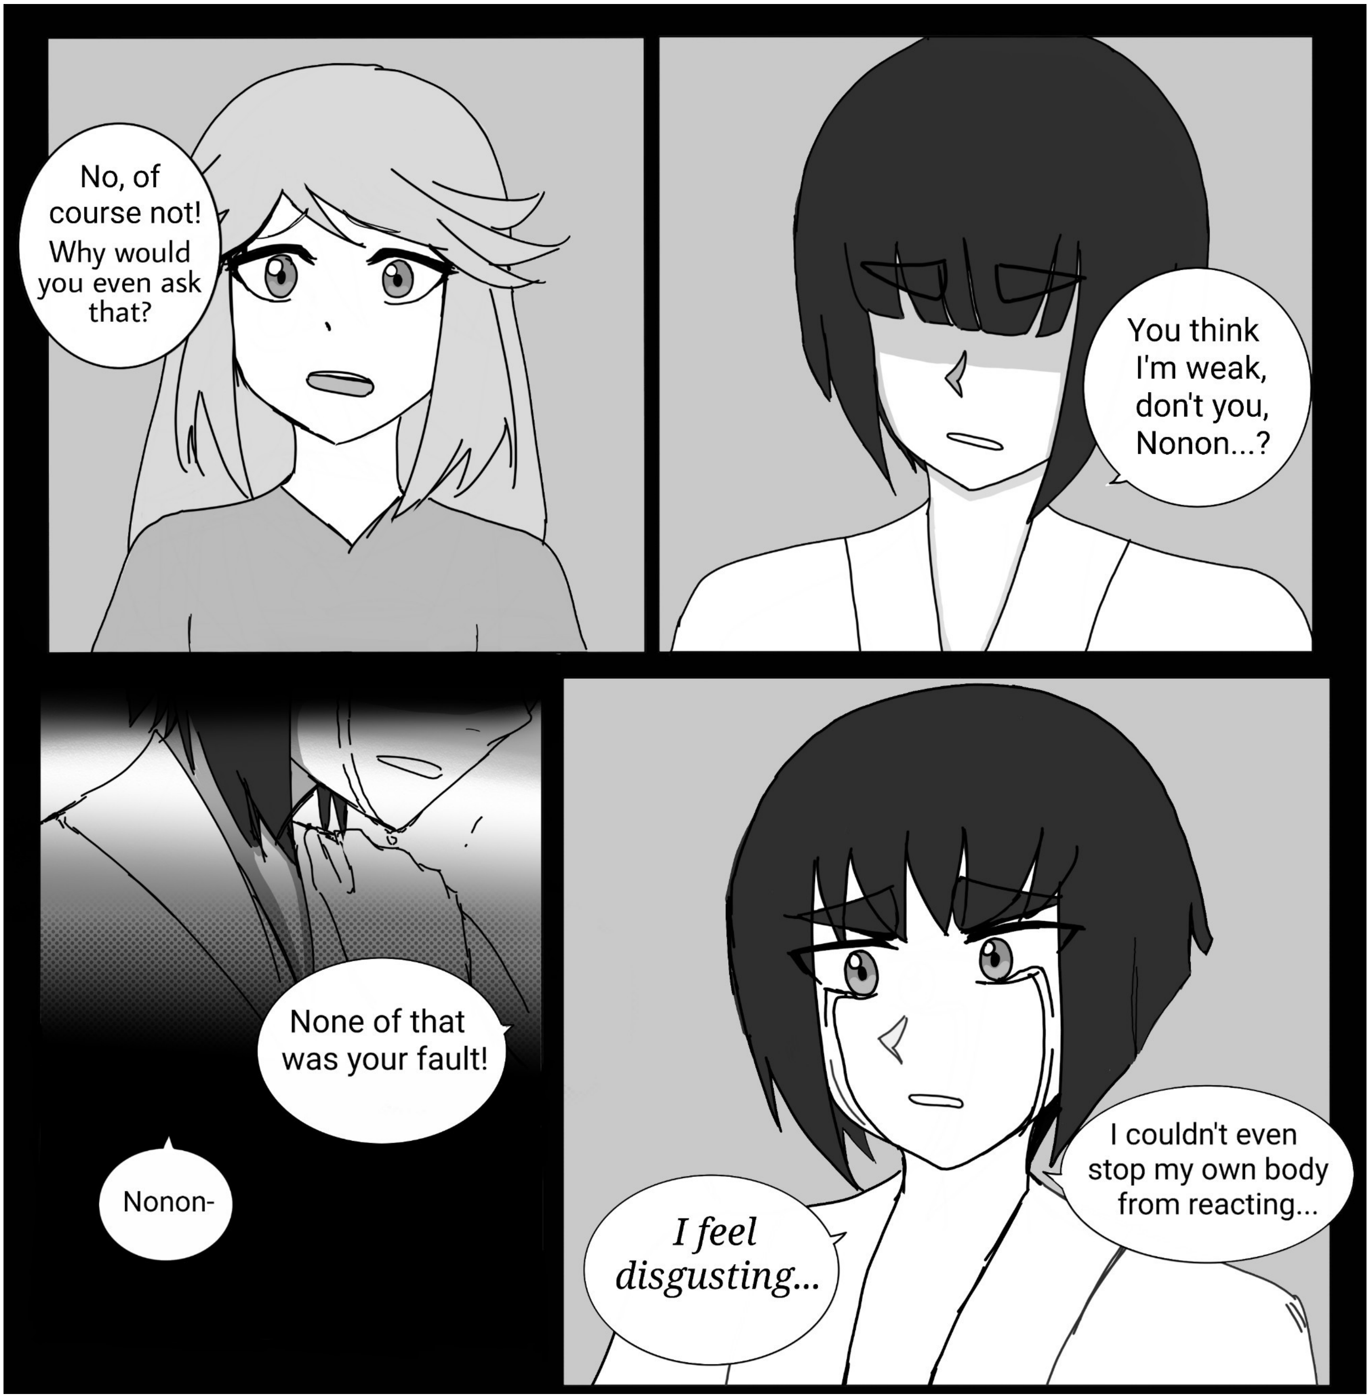
Ragyo...
She...



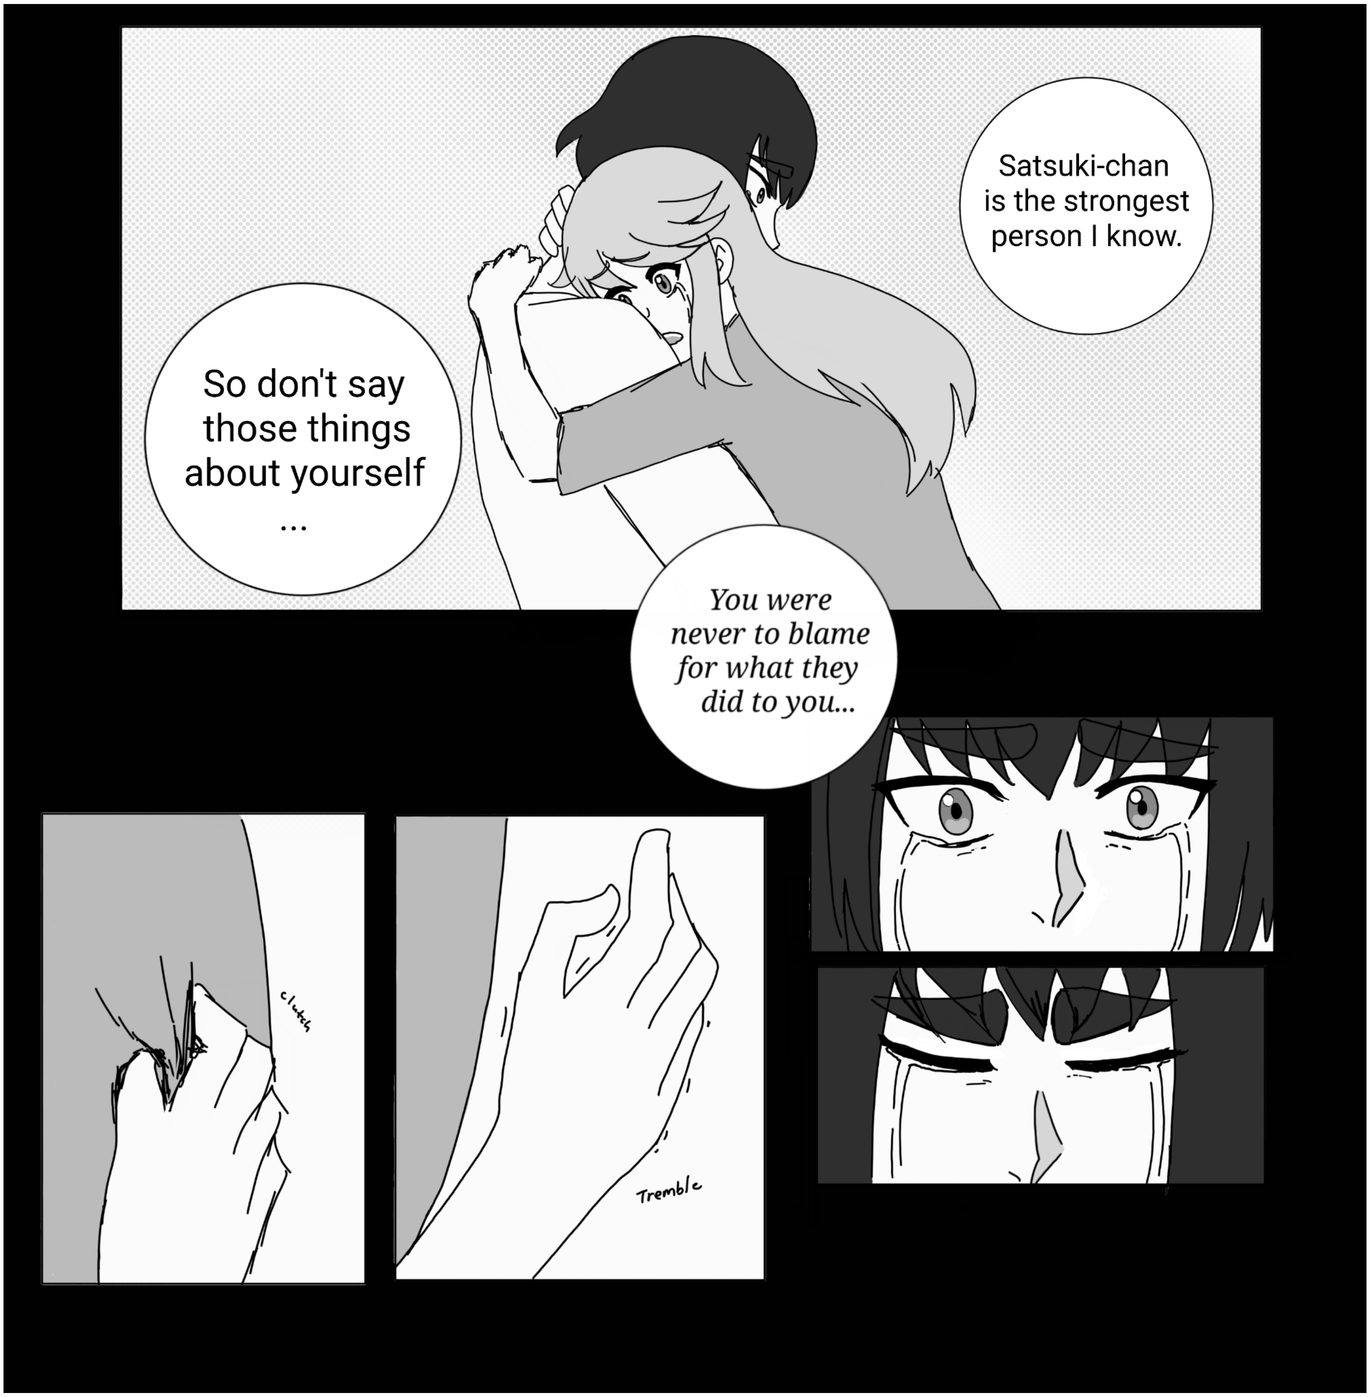
How... how long did it go on for...? Like when did she...
It first started when I was five, after the stuff with my father...
Five...? That's...
I...
I am trying to forget it, Nonon, but these feelings... they won't stop... I can still feel her on *top* of me...
I was uncertain how to even react at first... I was afraid, but nothing I said mattered to her...
Mother, what are you doing? That hurts-
Just relax.
She always did whatever she wanted to me, groping me, fingering me, and treating my body like I was some animal... I was never even given a *choice*.
All those years... Satsuki-chan was being...
Have you... ever told anybody else?
No, you're the only one who knows... Not even Soroi was aware of what she was doing. She always did it to me when we were alone together.



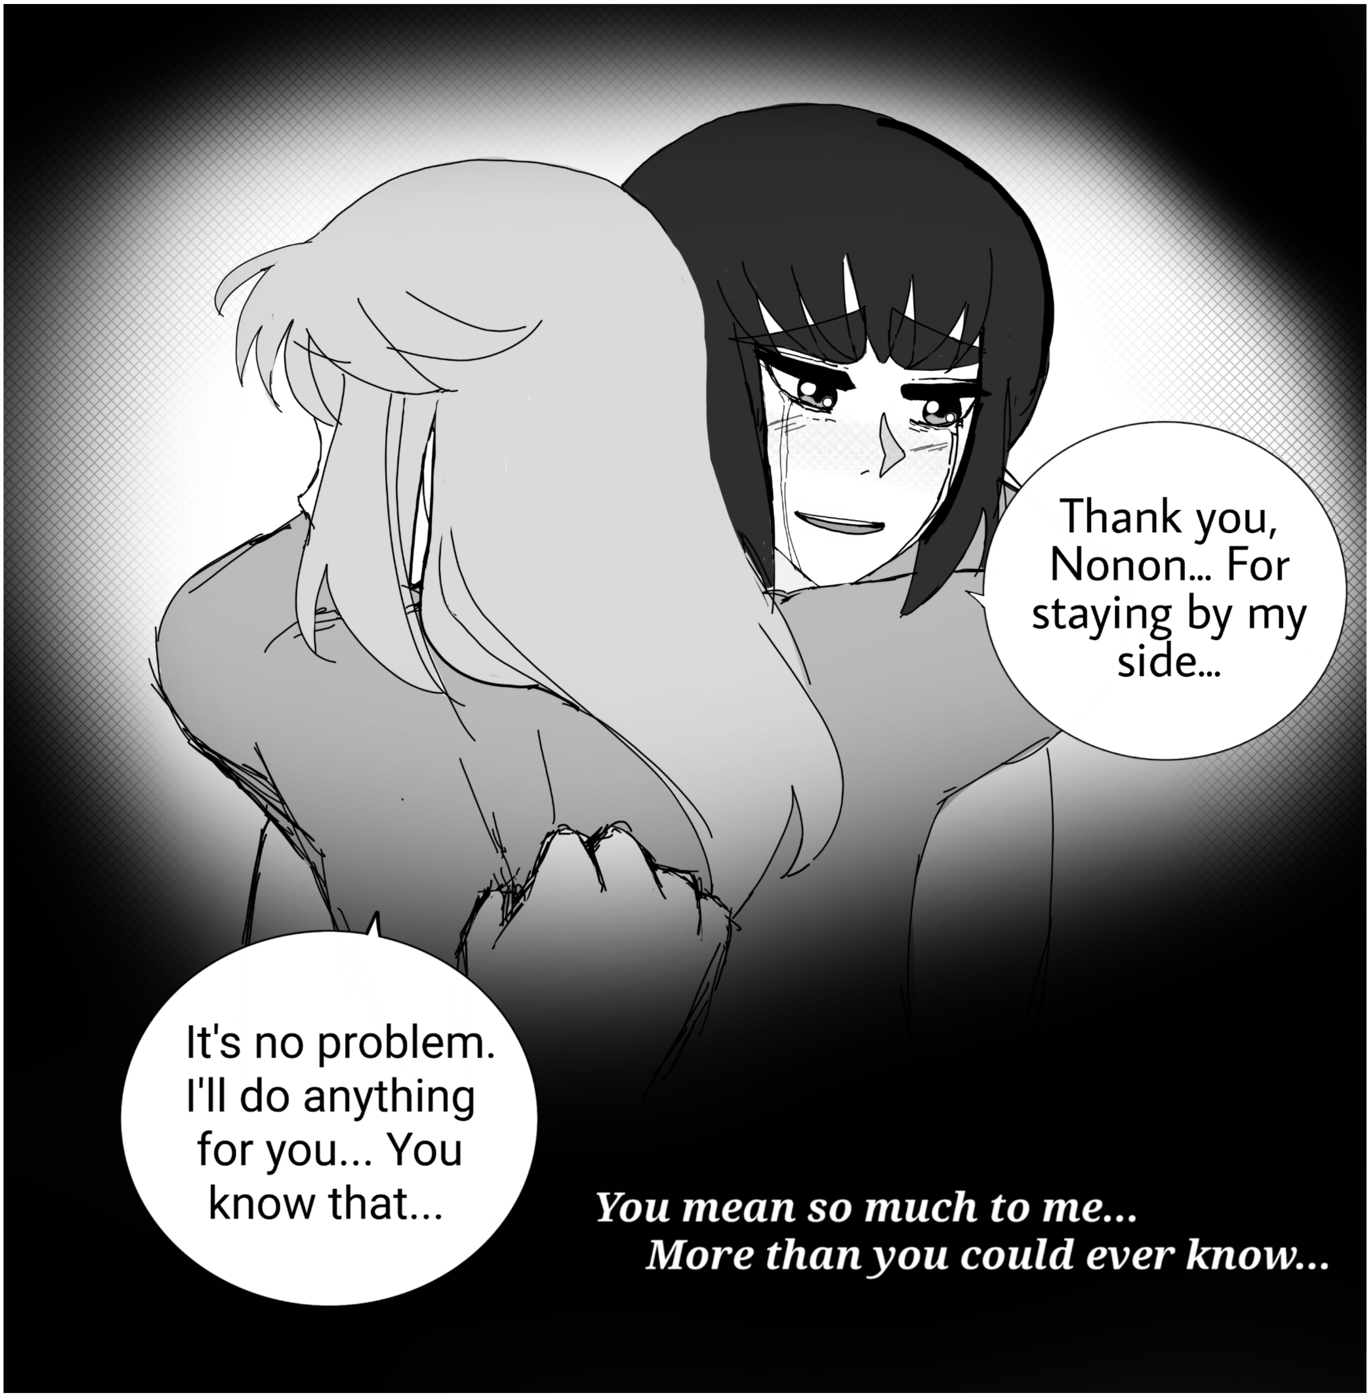
Damn it...!
Harime as well... I-



No, of course not! Why would you even ask that?
You think I'm weak, don't you, Nonon...?
None of that was your fault!
Nonon-
I couldn't even stop my own body from reacting...
I feel disgusting...



Satsuki-chan is the strongest person I know.
So don't say those things about yourself ...
You were never to blame for what they did to you...
clutch
Tremble



Thank you, Nonon... For staying by my side...
It's no problem. I'll do anything for you... You know that...
You mean so much to me... More than you could ever know...

End of Chapter 2
